TRANSPORTATION

For safety protocol, if you are dropping students off at school in the morning, please utilize the front entrance as the drop off area and exit by the security station. Please do not enter or exit the bus drop off zone on the south side of the school building. Please call the front office to make bus changes on routes, etc. We kindly ask parents to park in the gravel parking area (south of main parking) to pick up your child afterschool at 3 p.m. Students without proper bus pass will require a sign out by their parent at the front office. The buses loading zone poses danger by creating potential blind spots, it is a designated area, staff assisting students boarding the buses, Your patience and understanding is greatly appreciated as we board the students and bring your child home.
