

Letter from the Principal

Dear Parents and Guardians,

On behalf of the faculty and staff, I am delighted to welcome you to the 2026–2027 school year! We are excited to begin another year of learning, growth, and success as we work together to provide every student with a positive and enriching educational experience.

We believe that a strong partnership between home and school is essential to student success. Your involvement and support play a vital role in helping your child reach their fullest potential. As partners in education, we share the responsibility for ensuring that every student is successful, and we are committed to providing a safe, supportive, and engaging learning environment where all students can thrive.

We encourage you to support your child's education by helping them:

- Attend school every day and arrive on time, ready to learn.
- Complete all homework and classroom assignments.
- Read and practice academic skills daily to strengthen literacy and numeracy.
- Share school experiences and communicate openly about their learning.
- Ask for help when additional support is needed.
- Set high expectations for themselves and understand the importance of lifelong learning and future educational opportunities.

We also invite you to become an active part of our school community by joining our volunteer program. Parent and family involvement enriches the educational experience for all students. Volunteers are always welcome to assist with activities such as:

- Reading with students who need additional support.
- Assisting with school-wide events and activities.
- Supporting student recognition programs.
- Helping with parent and community outreach initiatives.

Please take time to carefully review the Student Handbook with your child. The handbook contains important information regarding school policies, procedures, and behavioral expectations that help us maintain a safe, respectful, and productive learning environment. If you have any questions, please do not hesitate to contact me or your child's teacher.

The faculty and staff at **Sumter County Primary School** feel honored to serve your family. Our mission is to *challenge, nurture, and support students on their journey toward graduation*, and we are committed to living out that mission each and every day.

Thank you for your continued support and partnership. We look forward to an outstanding school year and the opportunity to celebrate the many accomplishments of our students together.

Sincerely,

Jodie Knight, Ed.D.
Principal
Sumter County Primary School
