~Notice!~

It is VERY VERY muddy on the playground. It would be greatly appreciated if an extra set of clothes were placed in your child's backpack in the event of wet or muddy clothing.

Mrs. Brenda is all out of borrowed-extra clothing. If your child came home in borrowed clothing please make sure that it gets returned.

Slippers may also be a good idea. We are having more and more wet shoes as well.

~Learning Targets~

El~ We will be wrapping up our 3rd Module by Writing our own Bird Riddles, Participating in a Science Talk, and Completing our Expert Bird Drawings.

Math~We will be continuing our number line unit to assist with double digit addition, as well as continuing to reinforce measurement.
