Youth Work Permit Process

Starting October 2, 2026, Michigan changed the process for students under 18 to obtain a work permit. Students and employers will now use the Michigan Department of Labor and Economic Opportunity's (LEO) online Youth Employment Permit Portal (YEPP) instead of obtaining permits through their schools.

MPS schools and the MPS Administration Center will no longer issue or approve youth work permits.

For more information and to access the YEPP system, visit the Michigan LEO Youth Employment page.

Need a little extra support? We're here to help!
