SPELLING – We are back to a “normal” week, so your child is working on a new spelling list. The focus this week is words with the long (a) sound. Any extra practice at home would be beneficial before the spelling test on Friday. We will be starting our differentiated spelling units next week, so not ALL 5th graders are working on the same list but still focusing on the same skill (vowel sounds and spelling / phonetic patterns).

GRADES – Now that we are a few weeks into a new school year, grades are starting to go in the grade book. You can access your students' grades and assignments in Powerschool. Contact Kelsey in the main office if you need to get set up with this. I will also be handing out progress reports to students in class.

GYM SHOES: All students need to have NON-MARKING gym shoes to be worn ONLY on our gym floor. PE shoes that have been worn outside can't be used as gym shoes.

CONSTITUTION DAY – Judy Goodson from the Daughters of the American Revolution was here yesterday to give a presentation to our 4th and 5th grade classes about the U.S. Constitution.
