

Snapshot: What's Going on in the Library?

August 2021

Classes Served this Month: 32

Materials Checked Out: 727

Members of our Library Google Classroom: 97

Library Programs:

- We led all freshmen through library orientation using a digital scavenger hunt (Goose Chase)--lots of learning, fun, and prizes awarded
- National Day prize winners weekly for answering questions on the Library Google Classroom page

Classes Taught:

- We introduced our Library Google Classroom to Mrs. Cotter's class and provided science articles for their abstract writing assignment
- We pulled books for Mrs. Canestrari's class and helped them find helpful information on portraying characters with disabilities

Other Services Provided:

- Organized books onto tables by genre to help freshmen find a book they would like to read for English
- Assisted students in using the Online Catalog Kiosks to locate books that interested them
- Selected books for each of Mr. Ferrell's students based on their reading interest surveys
- Researched the History of the Softball Team for Coach Mathis
- Compiled a list of all the RTI books with summaries and reading levels for the Tiered Reading RTI teachers
