Subscribed and evern to this, 12
Before me John Meil
Justice Jessee or guardian, and that said census was taken in a house to house canvass during the fifteen days prior to June 1, 1915.

Aforesaid, five years of age and under twenty years, together with the name and address of parent

If the district is fractional, write the names of the children in cach township separately under the name of the township beginning with that township in which the schoolbouse or site is situated. A separate statement must be made to keep of the several townships in which the district is in part situated, giving the number of children five years of age and under twenty years residing in that part of the district lying within their respective townships. If there is not space on this page sufficient to contain the names of all the children in the district, write the remainder upon ordinary foolean paper, properly ruled, and attach the same to this sheet. Do not use additional blanks. The ages of the children must be given as they are on June 1, 1913. If a children user from the district during the fifteen days preceding June 1, he should be enrolled in the district in which he is revident June 1.
