- 5/17 Demarest 5K
- 5/19 Third Grade trip to Carnegie Hall
- 5/21 LLE Field Day
- 5/25 NO SCHOOL

Second Grade Program

On Friday, April 24th, our second grade students participated in the first Young Entrepreneurs Program. The students created their own business ideas by choosing a good or service to offer, gathering information, and designing tri-fold posters to showcase their work.

They proudly presented their ideas and research to their parents, making it a fun and valuable learning experience for everyone involved.

LLE Spring Concert

Last night, our 4th grade band members, 3rd and 4th grade chorus members, and 3rd grade students performed for their families. The students' hard work and dedication throughout the year were evident as they proudly shared their talents and performed with smiles on their faces. We extend a **BIG THANK YOU** to Ms. Ahn, Mrs. Urban, and Mrs. Stokes for all of their time, dedication, and support of our students!

Muffins with Mom

This morning, our kindergarten students put on a wonderful musical performance to celebrate their Moms. After the show, the students invited their Moms back to the classroom to enjoy breakfast treats together. It was a special morning that was enjoyed by all! Thank you to Ms. Ahn and all of the kindergarten teachers for creating such a memorable celebration for our Moms!

May 8, 2026

Dear CRS and LLE Families,

Over the past week we had so many beautiful events that I wanted to share with you.

- Each year our fourth graders partake in the Bergen County Poster Contest. This year there were 1,243 submissions from 37 towns. I am elated to announce that one of our very own LLE 4th graders was chosen in the top 20 of submissions and her poster will appear in next year's calendar. Please join me in congratulating **Sophie Borys** on an amazing job well done!
- Our kindergarten and first grade students enjoyed the pleasant weather while exploring our local nature center with Mr. Marc Gussen. They learned about the local creatures and animals that inhabit Demarest and the surrounding area while on their nature walk.
- A round of applause for our 3rd graders and 4th grade chorus and band members who participated in the LLE Spring Concert. Their musical talents and voices filled our hearts!
- The kindergarten students celebrated their amazing moms this morning during the Mother's Day Celebration. We were also happy to bring back the tradition of having breakfast with the students and their moms back in the classroom.

Below are reminders to review:

- **Preschool Registration:** This is now open for domiciled Demarest residents. Please click [here](#) for more information.
- **Kindergarten Registration:** Please click [here](#) for more information.
- **Upcoming Events:**

| <u>Date/Time</u> | <u>Event</u> |
