

# **Amite County School District**

## **Strategic Action Plan**

### **2025- 2026**

# **Goal 1: Continued Academic Progress**

## **Measurable Indicators:**

- Maintain or increase district proficiency and/or growth in MAAP scores.
- Increase ACT composite scores.

## **Strategies:**

1. Remedial support will be developed and individualized depending on students' needs.
2. Instruction will be monitored daily by administration and instructional coaches.
3. Will continue to utilize ACT Mastery Prep and Jumpstart to improve student scores.

## **Goal 2: Improve Building-level Administration**

### **Measurable Indicators:**

- Increase Middle School performance levels.
- Increase Benchmark assessment levels.

### **Strategies:**

1. District level personnel will work directly with administrators to expand knowledge.
2. District personnel will work with administrators to improve decision making skills.
3. Weekly PLC meetings with administrators will be held.

## **Goal 3: Continue to Improve Facilities**

### **Measurable Indicators:**

- Complete elementary scope of work.
- Continue to repair ongoing issues.

### **Strategies:**

1. Monitor all work on projects.
2. Attend monthly OAC meetings and open communication.
3. Work with maintenance director to repair issues found throughout the year.
