A Welcome from the Principal

Welcome to a new school year. Whether you are new to our school or returning, you may be assured that the entire faculty and staff is working hard to make this the best year possible for students, parents, and our community. The essence of community is the idea that it exists so that you can support others and they, in turn can support you. Our community should continue its growth to be an environment where everyone is encouraged and made to feel welcomed and appreciated. **As an alumnus of Huntland School, I assure you I will continue the tradition of instilling a great sense of pride for our community.**

In one school year a child spends: 7,800 hours at home and 900 hours at school, therefore, student success at Huntland Schools requires a maximum effort from the student and parent. Students must accept responsibility for their own learning and development. They must have a desire to learn and be self-motivated and work diligently. Parents must accept the responsibility to get involved in their child's/children's education. They must ensure student/s attend school, support academic work and progress, and communicate directly with the faculty of Huntland Schools.

On behalf of the faculty and staff of Huntland Schools, we would like to say thank you for sharing a part of your child's education with us. I look forward to working with all students and parents, and if I can be of assistance to you at any time, please do not hesitate to contact my office for an appointment.

Best Regards,

William K. Bishop, II, Ed.S.

Assemblies/Pep Rallies

Huntland Schools are fortunate to have facilities for plays, programs, and special events. Visitors often form a lasting impression of our school by our behavior at assemblies; therefore, students are expected to enter programs quietly and with their best manners. This includes keeping their hands and feet away from others, sitting quietly during performances, and showing their appreciation by clapping and cheering at appropriate times.

Athletic Programs

Attendance (Board Policy 6.200)

Every parent/guardian/legal custodian or other persons residing within the State of Tennessee having control or charge of a child and/or children between six (6) and seventeen (17) years of age, both inclusive, shall cause such child or children to attend public or private day school and, in the event of failure to do so, shall be subject to penalties hereinafter provided.

Students are learning through their experiences traits that will carry over into their adult life. Therefore, **being on time** and **attending school regularly** are important factors for **establishing responsibility**. It is important that all students Pre K-12 attend full days of school.

The state of Tennessee has many laws which deal with education and school attendance. The law states that every parent/guardian having control or charge of a child/ren between six and seventeen years of age shall cause such child/ren to attend public or private day school and, in the event of failure to do so, shall be subject to penalties.

Tennessee Code Annotated 49-6-3007 states that the parents/guardians of K-12 children, who are absent more than five days during any school year without adequate excuse, may be fined up to \$50.00 or assessed five hours of community service at the discretion of the judge.

Tennessee Code Annotated 49-6-3009 states that any parent/guardian who has control of any school age child/ren and who shall violate the provisions of attendance shall be guilty of a Class C misdemeanor. Each day/s unlawful absence shall constitute a separate misdemeanor. A Class C misdemeanor is punishable by a \$50.00 fine and/or ten days in jail for each offense.

If your child/ren is/are absent from school, a written excuse from parent/guardian or doctor must be submitted to the attendance office. Failure to do so, after three days, will result in the absence being marked “unexcused” and will remain “unexcused.” Huntland School will accept five (5) parent/guardian notes as excused absences. Absences beyond five (5) days will require a doctor’s note to be considered excused. Consecutive absences of three (3) days or more require a doctor’s excuse. All doctor’s notes may be verified by the school’s Attendance Office and/or Parent/Student Attendance Mentor.

The note must contain all of the following:

1. Student’s full name
2. Date of the absence(s)
3. Reason for the absence(s)
4. Telephone number where the parent/guardian can be reached
5. Parent/guardian signature

Absences and tardiness for grades Pre K-12 shall be classified as either excused or unexcused as determined by the principal.

Excused absences and tardiness

- A. Personal illness
- B. Illness of immediate family member, to include mother, father, brother, sister
- C. Death in family
- D. Extreme weather conditions
- E. Religious observations
- F. Circumstances, which in the judgment of the principal create emergencies, over which the student has no control

Unexcused absences—Any absences not excused will be unexcused.

When a student accumulates **five (5) unexcused absences**, the parent(s)/guardian(s)/legal custodian(s) shall be notified in writing. A new notice shall be sent after each successive accumulation of five (5) unexcused absences. Should a student accumulate **ten (10) unexcused absences**, the parent(s)/guardian(s)/legal custodian(s) and the student shall be petitioned to the Franklin County Juvenile Court for violating the provisions of attendance.

Attendance in Regard to Getting and/or Keeping Driver’s License

Ten (10) consecutive days, or a combination of suspended days and unexcused absences totaling fifteen (15) days during any semester, renders a student ineligible to retain a driver’s permit or license or to obtain such if of age. Additionally, a student must pass a minimum of half of the courses to be eligible to get or to keep his/her driver’s license. Grading periods for driver’s license purposes are at the end of the semester. Days suspended from school do not count as an excused day for attendance purposes; however, these days do count as an unexcused day for purpose of obtaining and/or keeping a driver’s license.

Students who accumulate five (5) tardies or unexcused absences may be assigned to Saturday School, I.P.O.D., or Before School Detention. Each additional tardy or unexcused absence shall result in the student being assigned additional consequences.

Students entering the building after 8:00 a.m. are required to be signed in at the Attendance Office located in the 3-5 building.

Our goal is for all students to feel safe and independent in going to their classrooms; therefore, PARENTS MAY NOT ACCOMPANY their children to classrooms.

The morning is a very busy time for teachers as they prepare for the day. Please refrain from initiating morning conferences with your child's teacher unless an urgent situation occurs which requires that you speak with your child's teacher during this busy time.

Bus Conduct (Board Policy 6.308)

In order to maintain conditions and atmosphere suitable for learning, no person shall enter onto a school bus except students assigned to that bus or parents of students or other persons with lawful and valid business on the bus. The school bus is an extension of school activity; therefore, students shall conduct themselves on the bus in a manner consistent with the established standards for safety and classroom behavior.

Cellular Phones and Other Personal Communication Devices (Board Policy 6.312)

Effective with the 2020-21 school year Students' use of cellular phones and other communication devices upon entering the school building before 8:00 am is at principal's discretion. After 8:00 am and until 3:00 pm (or when school is officially dismissed), the use of these devices (excluding school issued Chromebooks) is prohibited unless the school principal has approved a written request:

- From a teacher for his/her students to use their own devices to enhance learning when the school issued Chromebooks are not sufficient; or
- Student to self-monitor specific health issues/concerns (must include verification from the medical provider).

For the purpose of this policy, use of such a device means either receiving or sending a message by the emission of an audible signal or sound, vibration, or visual display. The device is deemed to be 'in use', even if the device is not answered. Possession of a cellular phone or other communication device is not a violation of this policy (except for elementary school students who are not permitted to have a cell phone at school) if the phone or device is in a purse, pocket, book bag, locker, or automobile and is not in use during the regular school day. School employees who discover a student using a phone or other personal communication device in violation of this policy shall confiscate the device and submit it to the principal or designee.

Violation of this policy will result in the student's cell phone being confiscated as follows:

- 1st offense – held for the remainder of the day, to be returned to the student;
- 2nd offense – held for the remainder of the day, to be returned to the parent/guardian; and
- 3rd offense – the student is not allowed to have a cell phone for the remainder of the school year.

For subsequent violations or if a student fails to relinquish his/her cell phone to the teacher or principal, the student will be sent to the Alternative School for twenty (20) days; qualifying students, with an IEP, must continue to be served in accordance with the applicable state and federal laws. Students who use the camera component of the cell phone in an unauthorized manner are subject to additional disciplinary measures, as well as reported to the appropriate law enforcement agency, if deemed appropriate. In case of internet outage – students' use of personal communication devices for instructional purposes shall be at the discretion of the classroom teacher. This policy shall be included in the Code of Conduct which is on the system's web-site.

Each Middle and High School classroom has been provided pocket charts for which students' cell phone is to be placed in when students enter classrooms. This proactive practice is not a punitive punishment for students; it is designed to be helpful for students to concentrate more on academics during classes rather than using or checking their phones during class. Student shall comply with this school rule each day in each classroom. Students who do not comply with this school rule of expectation will be assigned to I.P.O.D by the teacher for that particular class the student did not place their cell phone in the assigned pocket chart. Excessive occurrences will result in Before School Detention, Saturday School, or Suspension.

Changes in Student Information

During the course of the school year, the school may need to contact the parent. It is the parents' responsibility to inform the office of any changes in student information. This would include: change of address, change of phone number/s, change of guardianship, or additions to emergency contacts.

Checking Out

When it is necessary for an **elementary or middle school student** to leave school during any part of the school day, he/she must be signed out from the attendance office in the 2-4 building. Students will be dismissed from the classroom to report to the attendance office where they may be dismissed. Parents are not permitted to go directly to classrooms to check out a student. Only parents/guardians may sign out students, unless the school receives notification. The authorized person must sign the student out and complete a sign out slip with the dismissal time and reason. Please have students bring a note to their teacher if they plan to check out during the school day.

From time to time, when it is necessary for **high school students** to leave school during any part of the day, he/she must be signed out from the attendance office. Again, the authorized person must sign the student out and complete a sign out slip with the dismissal time and reason. Parents of student drivers may choose to contact the attendance office by phone to confirm a student checking out prior to 2:30 p.m.

Class Ranking

Students must be enrolled full time at the home base school to be eligible for ranking among the top high school seniors. All grades earned in grades 9, 10, 11 and both semesters of grade 12 will be counted toward the grade point average and the rank in class. Honor roll students will be determined by standards approved by the Board. Students who meet these standards, and who do not request otherwise, will have their names submitted to the principal for release to the news media. To become valedictorian or salutatorian, a student must be enrolled in the high school at least four (4) of the seven (7) semesters preceding the final semester. One valedictorian will be named at each high school.

Steps to determine the valedictorian will be the following:

1. The honors scholar with the highest GPA. An honors scholar is a student with a minimum grade point average of 3.75 (not rounded up), completion of ten (10) academic honors courses, and a score at or above all of the subject area college readiness benchmarks on the ACT or equivalent score on the SAT. If there is a tie, then,
2. Student(s) with the highest composite ACT score on a regular national test through the December test date for the graduation year. If there is a tie, then,
3. Student(s) with the highest number of honors courses attempted. If there is a tie, then,
4. Numeric average in core courses.

Clubs and Organizations (Board Policy 6.702)

Student organizations are an extension of the academic curriculum and are intended to complement the basic instructional program.

To become active members or participate in any activities of a club or organization, written communication from the student's parent or legal guardian must be signed and dated by the parent or legal guardian. One or more staff members will serve as faculty advisors of each activity and will attend all meetings to ensure all applicable Board policies, administrative procedures and school rules are followed. Each faculty advisor will evaluate the activity and make recommendations concerning changes, continuance, or deletion from the school's activity program.

Code of Behavior and Discipline (Board Policy 6.300)

The **Code of Behavior and Discipline** is to notify students, parents/guardians/legal custodians, school system employees, and others of the standards of expected student behavior, and the consequences of the failure to obey such standards. This code is revised annually to comply with both federal and state laws as well as Franklin County School Board Policies, and to help provide and maintain a safe and secure learning environment, free of drugs, drug paraphernalia, dangerous weapons, and threats of physical or psychological harm. The Franklin County Board of Education has developed these policies to comply with both federal and state laws to provide and maintain safe and secure schools. This document will be located on our school district's website at www.fcstn.net and our school website at www.huntland.fcstn.net for the 2022-2023 school year.

Conferences

Communication is an essential key to your child's success at Huntland Schools; therefore, parent/teacher conferences are strongly encouraged. There will be pre-scheduled conferences during the 2022-2023 school year.

These dates/times are:

1st Thursday, October 20, (3:15pm-6:15pm) Report Cards

2nd Tuesday, February 7 (3:15pm – 6:15pm) Progress Reports

Credit Recovery

Huntland High School offers the opportunity for students to earn credits needed for graduation from courses they have failed.

Detention (Before School Detention)

BSD will be held Tuesday mornings from 6:45am-7:45am

Students may be detained before or after the school day as a means of disciplinary action.

The following guidelines shall be followed:

1. The student will be given at least one day of notice before detention;
2. Parents will be informed before detention takes place;
3. Detention will not exceed two hours before or after the official opening/closing of the school day but may be administered several days in succession.

Disciplinary Records

A disciplinary record shall be maintained by the classroom teacher and/or administrator and shall contain the name of the student, the type of misconduct, the type of punishment administered, the name of the school official administering the punishment, and the time and date.

Dismissal

Your child's safety is our greatest concern at Huntland Schools. By supporting our efforts, you enable us to dismiss your child in an orderly manner without compromising your child's safety. **Parents, to avoid confusion at the end of the day you are to have daily dismissal plans for your child prearranged.**

Any calls made to the attendance office to change your child's dismissal plan must be done prior to 2:30 p.m.

Pre K Students

Students who are enrolled in our Pre-School program at Huntland Schools will be dismissed at 2:30 p.m. from the side of the school building closest to the Pre K classroom.

Bus Riders

Students transported by an early bus will be dismissed at 3:00 p.m. from their classrooms. Early bus riders will report to the bus loading zones located at the southern part of the campus in the area between the high school and elementary gyms. Late bus students will report directly to the school's cafeteria at 3:00 p.m. Students riding late buses will be dismissed from the school cafeteria as buses arrive for pick up.

Car Riders

Students being picked up by car will be dismissed at 3:00 p.m. from the front of the school building. **For safety reasons, there is no waiting inside or standing outside the school building prior to dismissal of students.** Because your child's safety is the first priority at Huntland Schools, all parents/guardians are expected to stay in vehicles during afternoon dismissal. Parking on the street and walking to pick up children is strongly discouraged. Parents are asked to pull up as far as possible to numbered loading cones before stopping to let a child in the car. This will help traffic move more smoothly. By doing this, we are better able to dismiss your child in an orderly and timely manner without compromising your child's safety. **Due to safety of our students (your child/ren) ABSOLUTELY no student/s shall be picked up from the parking lot. EVERYONE is to be in the pick-up line to pick up students. Your cooperation and support of our safety plan for pick-ups is essential for a safe and secure campus.**

Parents who park in the North parking lot (student parking) waiting for students will be directed to the car rider line which forms on College Street. Parents not following proper safety procedures for picking up students may lose privilege to drive on campus.

Student Drivers

Students who drive to school will be dismissed at 3:00 p.m. from their classrooms. Student drivers will exit the school campus from the northeastern parking lot exit located next to the football field. Student drivers will follow all policies and procedures for driving on campus.

Walkers

Students who walk home from school will be dismissed at 3:00 p.m. from the front of the school after early buses have left the campus.

Disruptions—Referrals to the Office

Interference of the educational process of Huntland Schools will be considered to be non-compliances of the policies and procedures set forth and will prompt immediate and serious consequences. **All consequences for any type of disruption will be grade/age appropriate.** For a complete explanation of student behavior and discipline, please refer to the Franklin County School System's Code of Behavior and Discipline.

Dress Code and Appearance

Elementary Dress Code (Board Policy 6.3101)

The Franklin County School System is committed to help create and maintain the very best learning environment possible. A correlation exists between appropriate attire and a positive learning environment.

Any dress or hairstyle that is considered contrary to good hygiene, distractive or disruptive in appearance, detrimental to the educational environment or to the public image of the school shall not be allowed. The administration of the school reserves the right and responsibility to determine whether a student's attire is within the limits of appropriateness for school, decency, and modesty. In matters of opinion, the judgment of the principal/designee shall prevail.

The following specific expectations have been established to help create and maintain the best learning environment:

1. All clothing must be clean, appropriate for school, and size appropriate. Clothing must not have holes, be cut-off, ripped, or see-through. Inappropriate logos are not allowed. Inappropriate logos include, but are not necessarily limited to:
 - Discrimination against any individual or group;
 - Promotion of violation of school rules;
 - Depiction of the use of drugs, tobacco, or alcohol; and
 - Encouragement of violence, gang/cult affiliations, and the use of weapons or intimidation.
2. Shorts and skirts may be worn by either males or females as normal school attire. Capri length pants are allowed.
3. Skirts and dresses shall be knee length when the girl is standing erect. Slits in skirts shall not exceed three inches above the front and/or back of the knee.
4. Pants must be worn above the hip-bone; sagging/bagging is not allowed. At this time, low rider and hip hugger style pants are permissible. For elementary school students, the accompanying shirt/top must be of sufficient length to be tucked, but tucking is not required. No midriff/back skin may be visible at any time. If jeans are bleached, they must be bleached consistently with no suggestive designs. Inappropriate logos, and lettering/writing down the side or back of pants, or around the waistband are not permitted.
5. All tops, shirts, blouses, and dresses must be appropriate for the school environment and the age of the student. Tops, shirts, blouses, and dresses must completely cover the abdomen, back, shoulders, midriffs, and cleavage. See-through outfits, bare midriffs, open backs, low-cut tops, tube tops, halter tops, crop shirts, etc. are not allowed.
6. Footwear is required and must be worn; footwear must be safe and appropriate for indoor and outdoor activities. Inappropriate footwear includes, but is not limited to, house shoes/bedroom slippers and skate shoes.
7. Clothing and accessories including, but not limited to, book bags, backpacks, belt buckles, patches, jewelry, and notebooks must not contain or have printed on them racial/ethnic slurs or symbols, gang symbols/affiliations or vulgar, obscene, subversive, sexually suggestive language, symbols or images. Clothing and accessories such as book bags, backpacks, belt buckles, patches, jewelry and notebooks shall not be derogatory to any individual or groups, or disruptive to the school environment. Clothing or accessories shall not promote products which students may not legally buy, such as alcohol, tobacco, illegal drugs, and controlled substances or promote violence.
8. Items which are prohibited include, but may not be limited to:
 - a. Head apparel (hats/caps, scarves, hair picks, stocking caps, hair curlers, the hoods on hoodies or jackets, etc.) inside the school building, except for religious or medical purposes — doctor's verification of need is required;
 - b. Sunglasses inside the school building, except for medical purposes — doctor's verification of need is required;
 - c. Visible body piercing jewelry (including tongue piercing) other than earrings (if worn, earring must not pose a threat to the student's safety nor be disruptive to the peace and good order of the schools);
 - d. Large, long, and/or heavy chains (including billfold chains); and
 - e. Trench coats, except as needed in very extreme weather.

Tattoos and other similar markings of the skin are discouraged (offensive tattoos must be covered). The principal may allow exceptions for some of the above listed items for special school activities (this should be very limited) — the noted allowances/exceptions must be made known prior to the special scheduled event. Appropriate corrective/disciplinary actions will be taken by the school administration if a student comes to school in clothing that is not deemed to be appropriate.

Corrective/disciplinary action may include, but is not limited to, calling parents to bring appropriate clothing, detention, in-school suspension and /or other disciplinary action as deemed appropriate. The principal's discretion shall prevail in regard to appropriate attire for all after-school activities.

Middle and High School Dress Code (Board Policy 6.310)

Corrective/disciplinary action may include, but is not limited to, calling parents to bring appropriate clothing, detention, in-school suspension and/or other disciplinary action as deemed appropriate. Three dress code violations will result in suspension to the alternative school for no less than twenty (20) days.

The principal's discretion shall prevail in regard to appropriate attire for all after-school activities.

The Board expects the Director of Schools to require all principals and all certificated personnel to enforce the above dress code in a consistent manner.

Drug-Free Schools (Board Policy 6.307)

In order to protect the rights of students, to safeguard the learning environment, and to contribute to a "Drug Free" community, the Board's plan for dealing with alcohol and drugs shall include the following:

1. Appropriate ways for handling alcohol/drug-related medical emergencies;
2. Guidelines for reporting alcohol/drug incidents and illegal activities;
3. Guidelines for referral of students who may have an alcohol/drug problem and/or are considered "high risk" to agencies and other sources of appropriate help;
4. Effective working relationships with appropriate community agencies, such as alcohol/drug service providers, law enforcement agencies and judicial officials.

Through the use of state guidelines the director of schools shall be responsible for:

1. Developing and implementing an appropriate curriculum on alcohol and drug education for students;
2. Providing adequate information and training for all staff personnel as appropriate to their responsibilities

3. Implementing the relevant portions of the Drug-Free Youth Act;
4. Developing administrative rules and guidelines for the school system to effectively respond to alcohol and drug situations that may occur at school or school-sponsored events; and
5. Providing notification to parents and students that compliance with this policy is mandatory.

Students will not consume, possess, use, sell, distribute or be under the influence of illegal drugs or alcoholic beverages in school buildings or on school grounds at any time, in school vehicles or buses, or at any school-sponsored activity, function or event whether on or off school grounds. This includes but is not limited to abuse of inhalants, prescription drugs, and non-controlled substances used as drugs or substances defined as "synthetic drugs". Disciplinary sanctions will be imposed on students who violate standards of conduct required by this policy. Such sanctions will be consistent with local, state and federal laws, up to and including suspension/expulsion as well as referral for prosecution.⁴ Completion of an appropriate rehabilitation program may also be recommended.

However, the student must provide his/her own transportation to and from the school.

Family Involvement

The faculty and staff of Huntland Schools encourage the involvement of parents, both as individuals and as groups, in the education of children. This involvement includes meaningful participation in the decision-making process in planning, implementing and evaluating. A Parent/Student/Teacher/Principal Compact will be reviewed and signed during parent/teacher conferences. Students' progress will be communicated to parents every 4.5 weeks with progress reports and every nine weeks with report cards. Formal Parent/teacher conferences will be held twice during the 2022-2023 school year. Additionally, throughout the year Huntland School will host several family involvement activities such as STEM/STREAM Night, Homecomings, Pumpkin Parade, Thanksgiving Luncheon, FASFA Frenzy, Grandparents Day, and Lottery Scholarship Day

Field Trips and Excursions

Since field trips are a privilege given to students, they must earn the right to participate in this enriched learning environment. Based on attendance, academia and behavioral reports, the principal will determine participation in field trips. Furthermore, field trips may be withheld from students who have incurred a debt to the school. This includes lunch charges, lost or damaged books, or other monies owed to the school. Students must have written permission from a parent/guardian to participate in any field trip. High school students who have any missing assignments or have less than a "C," average for each class to be missed during field trip will not be approved to participate. In addition, high school students must submit permission form to their high school teachers for signature approval three (3) days prior to the scheduled field trip.

Fire, Tornado, and Safety Drills

Fire, Tornado, and Safety Drill instructions are posted in each classroom. Students are instructed in the procedures to follow in case of fire, tornado, or safety drills. Drills are held periodically so that students and staff may practice procedures.

Grading (Board Policy 4.600)

The Director of Schools shall develop an administrative procedure to establish a system of grading and assessment for evaluating and recording student progress and to measure student performance in conjunction with board-adopted content standards for grades K-8. The grading/assessment system shall follow all applicable statutes and rules and regulations of the State Board of Education. The grading/assessment system shall be uniform, district-wide, at comparable grade levels, except that the Director of Schools shall have the authority to establish and operate ungraded and/or unstructured classes in grades K-3 according to state rules and regulations. The Director of Schools shall submit a copy of the grading and assessment systems to the Board before the system is implemented. These guidelines shall be communicated annually to students and parent(s)/guardian(s). Conduct grades are based on behavior and shall not be reflected in scholastic grades.

GRADING SYSTEM: GRADES NINE - TWELVE (9-12) and (3-8)

Schools teaching grades nine (9) through twelve (12) shall use the uniform grading system established by the State Board of Education. Using the uniform grading system, students' grades shall be reported for the purposes of application for post-secondary financial assistance administered by the Tennessee Student Assistance Corporation.

Subject-area grades shall be expressed by the following letters with their corresponding percentage range:

- A (90-100)
- B (80-89)
- C (70-79)
- D (60-69)
- F (0-59)

This grading system shall be uniform throughout the school district for each grade. This includes grades 3-12.

Advanced coursework grades shall be weighted with additional percentage points to calculate the semester average. Depending on the course taken, the following percentage points shall be assigned:

- Honors Courses – three (3) percentage points;
- Local and Statewide Dual Credit, Capstone Industry Certification Aligned, and Dual Enrollment Courses – four (4) percentage points; and
- Advanced Placement, Cambridge International, College Level Exam Program (CLEP), and International Baccalaureate Courses – five (5) percentage points.

LOTTERY SCHOLARSHIPS

Each school counselor shall provide incoming freshman with information on college core courses required for lottery scholarships as well as necessary criteria (grade point average, ACT and SAT score, etc.) that must be met in order to receive a scholarship.

Seniors may apply for the Tennessee HOPE Scholarship by completing the Free Application for Federal Student Aid (FAFSA). The FAFSA is available at the guidance office or online. Students shall be made aware of all applicable FAFSA deadlines and encouraged to submit applications in a timely manner.

Elementary school counselors shall explain the HOPE Scholarship and its requirements to their students and impress upon them the benefits of making good grades.

LOTTERY SCHOLARSHIP DAY

Each school year, prior to scheduling courses for the following school year, schools teaching students in grades 8-11 shall conduct a lottery scholarship day for students and their parents.

Graduation Requirements (Board Policy 4.605)

Students must earn at least twenty-eight (28) Carnegie units in a high school that is on block schedule (4 classes per day for the semester). When a high school operates on a seven-period day, a minimum of twenty-four (24) credits will be required. In cases where a student transfers into a high school on block schedule from a high school on a six- or seven-period day, the number of credits needed to graduate will be determined on a proportional basis, somewhere between 24 and 28 unless there is sufficient time for the 28 courses to be attained.

To meet the requirements for graduation, a student shall have attained an approved attendance, conduct, and subject matter record which covers a planned program of education, and such records shall be kept on file in the high school. The program of studies shall include

areas and content in these areas within State Board of Education Regulations and shall be flexible enough to facilitate progress from one stage of development to another, thus providing for more effective student adjustment.

Before graduation, every student shall:

- achieve specified units of credit
- take the required End-of-Course exams
- have satisfactory records of attendance and conduct
- complete an examination in the 11th grade...ACT

Head Lice (Board Policy 6.4031)

The school nurse will notify parents/guardians immediately when their child has been identified as having head lice (including nits). A letter will be sent home by the child to explain the condition, requirements for readmission and deadlines for satisfactory completion of the treatment. Prior to readmission, satisfactory evidence must be submitted to school personnel that the student has been treated for pediculosis (head lice). This evidence may include, but not be limited to:

1. proof of treatment with a pediculicide product (head lice shampoo)
2. satisfactory examination by a school health official
 - Any subsequent incidents of head lice for that student during the school year will require submission of satisfactory evidence of treatment for head lice and be found free of nits by a school official.
 - A student will be expected to have met all requirements for treatment and return to school no later than two (2) days following exclusion for head lice. All days in excess of the allowable period will be marked as unexcused and referred to the attendance supervisor at the proper time.

Homecomings

Traditionally with athletic sports, Homecoming events are planned for the school and community. Homecoming for football season has been scheduled for Monday, September 19, - Friday, September 23. Our Huntland Community Pep Rally will be held on Thursday, September 22, at 12:30pm. Our parade will follow at 1:30pm with the football game to be as scheduled on Friday, September 23, at 7:00pm. Grades 9-12 floats for the parade (if class officers choose to have classes participate in parade) are the responsibility of each individual student body class under the supervision of parents. Due to scheduling, floats may be built the week/end prior to the parade. Additionally, our Homecoming for basketball season will be scheduled in the Spring of 2023, and will be announced once our basketball schedules are completed.

Homework (Solo Work)

Parents are encouraged to stress the importance of out of school study to their children. Out of class assignments play an important role in a student's education. All students should participate in a minimum of thirty minutes of homework each day. Students generally have more homework as they progress through grades.

Honor Students

In order for students to be considered a Huntland Honor Student, students must:

1. have minimum grade point average (GPA) of 3.75—not rounded up
2. complete the specific requirements of either the University Path or Technical Path

Minimum of TEN credits:

English I, II, III, or IV(AP) (H)	Pre-Calculus/Calculus (H)	Geometry (H)	Algebra II (H)
Chemistry I (H)	Anatomy & Physiology (H)	Biology (H)	Algebra I (H)
Spanish II (H)	Physical Science (H)	World History (H)	US History (H)

Valedictorian and Salutatorian must qualify as Honor Students. One valedictorian will be named at each high school. (For Huntland High School this will begin with the class of 2014.) Steps to determine the valedictorian will be the following:

1. The honors scholar with the highest GPA. An honors scholar is a student with a minimum grade point average of 3.75 (not rounded up), completion of ten (10) academic honors courses, and a score at or above all of the subject area college readiness benchmarks on the ACT or equivalent score on the SAT. If there is a tie, then,
2. Student(s) with the highest composite ACT score on a regular national test through the December test date for the graduation year. If there is a tie, then,
3. Student(s) with the highest number of honors courses attempted. If there is a tie, then,
4. Numeric average in core courses.

Inclement Weather

If snow, ice, or tornadic conditions occur, turn to a local radio station for information on school closings or early dismissals. The School Messenger system will also notify parents/guardians of any early school dismissals/closings. Procedures for early dismissal will be the same as a normal school day. Parents are to notify child's teacher with an alternate plan of contact/notification should school be dismissed prior to 3:00 p.m. for any reason.

Interrogations and Searches (Board Policy 6.303)

INTERROGATIONS BY SCHOOL PERSONNEL

School personnel have a duty to report any reasonable suspicion that a student is carrying, or has carried, a weapon or is violating, or has violated, a provision of the Tennessee Drug Control Act to the principal, the principal's designee or, if the principal and the principal's designee are unavailable and the offense was committed on school property, to the appropriate authorities. Students may be questioned by teachers or principals about any matter pertaining to the operation of a school and/or the enforcement of its rules. Questioning must be conducted discreetly and under circumstances which will avoid unnecessary embarrassment to the student being questioned. Any student answering falsely, evasively or refusing to answer a proper question may be subject to disciplinary action, including suspension.

If a student is suspected or accused of misconduct or infraction of the student code of conduct, the principal may interrogate the student, without the presence of parent(s)/guardian(s) or legal custodians and without giving the student constitutional warnings.

INTERROGATIONS BY POLICE (AT ADMINISTRATOR'S REQUEST)

If the principal has requested assistance by the police department to investigate a crime involving his/her school, the police shall have permission to interrogate a student suspect in school during school hours. The principal shall first attempt to notify the parent(s)/guardian(s) or legal custodians of the student of the intended interrogation unless circumstances require otherwise. The presence of the parent(s)/guardian(s) or legal custodians at this interrogation is recommended. The interrogation may be delayed until the parent can be present unless the safety of others in the school would be compromised by a delay. The principal or his/her designee shall be present during the interrogation. The use of police women or female staff members is desirable in the interrogation of female students.

POLICE-INITIATED INTERROGATIONS

If the police deem circumstances of sufficient urgency to interrogate students for non-school related incidents committed outside of school hours, then all such interrogations shall take place off of school grounds. The principal or his/her designee shall make reasonable attempts to contact the student's parent, guardian, or legal custodian of the interrogation. The police or other law enforcement authority shall make whatever decision they deem necessary to continue with the interrogation outside the parent, guardian, or legal custodian's presence. Neither school principals or their designees shall be called upon to make probable cause decisions regarding events that did not occur on school grounds or during school hours, and, it is not necessary for principals to be present during any such interrogation.

SEARCHES BY SCHOOL PERSONNEL

Any principal, or his/her designee, having reasonable suspicion may search any student, place or thing on school property or in the actual or constructive possession of any student during any organized school activity off campus, including buses, vehicles of students or visitors (Notice shall be posted in the school parking lot that vehicles parked on school property by students or visitors are subject to search for drugs, drug paraphernalia or dangerous weapons), and containers or packages if he/she receives information which would cause a reasonable belief that the search will lead to the discovery of:

1. Evidence of any violation of the law;
2. Evidence of any violation of school rules or regulations or proper standards of student or faculty conduct;
3. Any object or substance which, because of its presence, presents an immediate danger of harm or illness to any person.

A student using a locker that is the property of the school system does not have the right of privacy in that locker or its contents. All lockers or other storage areas provided for student use on school premises remain the property of the school system and are provided for the use of students subject to inspection, access for maintenance and search. Notice shall be posted in each school that lockers and other storage areas are school property and are subject to search. A student may be subject to physical search or a student's pocket, purse or other container may be required to be emptied because of the results of a locker search, or because of information received from a teacher, staff member or other student if such action is reasonable to the principal. All of the following standards of reasonableness shall be met:

1. A particular student has violated policy;
2. The search could be expected to yield evidence of the violation of school policy or disclosure of a dangerous weapon or drug;
3. The search is in pursuit of legitimate interests of the school in maintaining order, discipline, safety, supervision and education of students;
4. The primary purpose of the search is not to collect evidence for a criminal prosecution; and
5. The search shall be reasonably related to the objectives of the search and not excessively intrusive in light of the age and sex of the student, as well as the nature of the infraction alleged to have been committed.

USE OF ANIMALS

When necessary, dogs or other animals trained to detect drugs or dangerous weapons may be used in conducting searches, but the animals shall be used only to pinpoint areas which need to be searched and shall not be used to search the persons of students or visitors.

USE OF METAL DETECTORS

In view of the escalating presence of weapons in the schools, the Board of Education authorizes the use of hand-held or walk-through metal detectors to check a student's person or personal effects as follows:

School officials or law enforcement officers may conduct metal detector checks of groups of individuals if the checks are done in a minimally-intrusive, nondiscriminatory manner (e.g., on all students in a randomly selected class; or every third individual entering an athletic event). Metal detector checks of groups of individuals may not be used to single out a particular individual or category of individuals. If a school official or a law enforcement officer has reasonable suspicion to believe that a particular student is in possession of an illegal or unauthorized metal-containing object or weapon, s/he may conduct a metal detector check of the student's person and personal effects. A student's failure to permit a metal detector check as provided in this policy will be considered grounds for disciplinary action including possible suspension. The director of schools shall develop procedures for use of metal detectors when needed.

SEARCHES BY POLICE

If public health or safety is involved, upon request of the principal who shall be present, police officers may make a general search of students' lockers and desks, or students' or nonstudents' automobiles for drugs, weapons or items of an illegal or prohibited nature. If the principal has received reliable information which he/she believes to be true that evidence of a crime or of stolen goods, not involving school property of members of the school staff or student body, is located on school property and that any search for such evidence or goods would be unrelated to school discipline or to the health and safety of a student or the student body, he/she shall request police assistance; and procedures to obtain and execute a search warrant shall thereafter be followed. Anything found in the course of the search conducted in accordance with this policy which is evidence of a violation of the law or a violation of student conduct standards may be:

1. Seized and admitted as evidence in any hearing, trial, suspension or dismissal proceeding. It should be tagged for identification at the time it is seized and kept in a secure place by the principal or the principal's designee until it is presented at the hearing. At the discretion of the principal, the items seized may be returned to the parent or guardian of a student or, if it has no significant value, the item may be destroyed, but only with the express written permission of the director of schools.
2. Any seized item may be turned over to any law enforcement officer. Any dangerous weapon or drug as defined in TCA 49-6-4202 shall be turned over to an appropriate law enforcement official after completion of an administrative proceeding at which its presence is reasonably required.

Whenever the possibility of uncovering evidence of a criminal nature exists, the principal or his/her designee may request the assistance of a law enforcement officer to:

1. Search any area of the school premises, any student or any motor vehicle on the school premises; or
2. Identify or dispose of anything found in the course of a search conducted in accordance with this policy.

The involvement of law enforcement officials is encouraged when there is reasonable cause to suspect that criminal evidence is about to be uncovered.

The I.P.O.D. program has been re-designed to provide each Huntland School student immediate behavioral or academic detention with the objective to redirect and develop a more positive attitude. Illegal/Controlled Substances, Alcohol, Imitation Drugs, and Drug Paraphernalia

(Board Policy 6.3071)

Students shall not acquire, possess, use, sell, purchase, barter, distribute, or be under the influence of illegal or controlled substances or any substance used as a drug, in school buildings or on school grounds at any time, or in school vehicles or buses, or at any school sponsored activity, function or event, whether on or off the school grounds.

Nor will students be in possession of, or attempt to market or distribute any substance which is represented to be or substantially similar in color, shape, size or markings of a controlled substance (imitation drug) in school buildings or on school grounds at any time, or in school vehicles or buses, or at any school-sponsored activity, function or event, whether on or off the school grounds.

Students shall not be in the possession of drug paraphernalia in school buildings or on school grounds at any time, or in school vehicles or buses, or at any school-sponsored activity, function or event, whether on or off the school grounds.

The school principal shall be immediately notified when a student is suspected of violating this policy. The incident shall be investigated; the process of gathering facts shall be completed. The principal shall not take action without first advising the student of the nature of his/her misconduct, questioning the student about the nature of the misconduct, and allowing the student to give an explanation. If the school principal feels that this policy has been violated, the principal shall:

1. Notify the student's parent(s) or guardian;
2. Notify the appropriate law enforcement agency, and turn over all contraband for laboratory 16 testing; and
3. Take appropriate disciplinary action.
