### Prattville Intermediate is a Title I School for the 2021-2022 Academic Year

Being a Title I school means receiving Federal Funding (Title I dollars) to supplement the school's existing programs. These dollars are used for the following:

- Identify students experiencing academic difficulties and provide timely assistance to help these students meet the State's challenging content standards
- Purchase supplemental programs/materials and instructional supplies
- Conduct parent and family engagement meetings/trainings/activities
- Reduce class size

Being a Title I school also means parent and family involvement. We will continue to provide opportunities for Parent and Family engagement through workshops, presentations, and family nights planned for this school year based on parent surveys.

Dear Parents,

October was such an exciting month full of fun and learning! We celebrated Red Ribbon Week as the students, faculty, and staff made a stand together against drugs and bullying.

As we roll into November, our fifth graders will continue to go to STARBASE for a unique learning experience. Students will continue to enjoy the after school art program, along with after school tutoring. If your child is interested in participating in the after school art program, please contact our front office for further information. Jr. Beta club met on Wednesday, November 3, 2021 to elect officers. Congratulations to the following: Mary Camden Amos, Ellie Cook, and Sadhvi Kamath.

November has many exciting things in store for us. This Friday, November 5, 2021, our students will have the opportunity to hang out with their friends while enjoying a soda for great cougar character. We will honor our Veterans by writing thank you letters to show our appreciation for the sacrifices they have made for our freedom. Sixth Graders will travel to Atlanta on Wednesday, November 10 to visit the aquarium, and we will have an eLearning day on Friday, November 12, 2021. November will be a busy month filled with fun and learning!
