

## **Essay Questions for North Columbia Academy**

We are excited that you are interested in staying with our program. As part of your application process, please write an essay answering the following questions:

- 1. In your own words please tell us what you think mutual respect means and how you will show it to other students and teachers.**
- 2. Describe what a good learning environment would be for you. How will this environment help you learn better?**
- 3. What could you do differently to make next year more successful?**
- 4. What classes would you like to see next year?**
- 5. What does the future hold for you after graduating from NCA?**

We look forward to meeting you and your parents/guardians at the entry interview. During your entry interview we will discuss your personal learning needs and goals, and review the student expectations we have.

Sincerely,

The North Columbia Academy Teachers and Staff
