

The Ruth Boorum Melberger Scholarship

Cliff “Mickey” Melberger and his wife, Ruth, established the Ruth Boorum Melberger Scholarship at Wilkes University in 2006.

Cliff is a graduate of West Pittston High School. Ruth attended the West Pittston schools through 8th grade and graduated from Meyers High School. Their children Erica Romanowski and Mick Melberger and their daughter-in-law, Amy Melberger, graduated from Wyoming Area.

Cliff is a graduate of Bucknell University (BS’61; MS’62) and Ruth is a graduate of Wilkes University (BS’62). Both Cliff and Ruth were scholarship recipients and feel strongly that scholarships are gifts that keep on giving. There have been 6 Wyoming Area graduates to receive this scholarship to date. Each scholarship is for four years.

The Wyoming Area recipient for this scholarship is selected by a committee made up of Wilkes University staff and a member of the Melberger family.

The Melbergers are happy to have joined the Scholarship Celebration at Wyoming Area in 2016.

How to Qualify: Wyoming Area students who have been accepted to Wilkes University become part of a pool for this award which is based on Financial Need. *You do not have to complete the Wyoming Area Scholarship application to receive this scholarship.*
