The Scholarship

The Hagan Scholarship will help pay the unmet financial need of the recipient to attend college, up to \$6,000 each semester for up to 8 consecutive semesters.

1. The disbursement amount for each semester will be determined by HSF by taking the Total Cost of Attendance for one academic year, including room and board; then deducting the total dollar amount of ALL scholarships, awards, grants, waivers and recipient's EFC; then dividing by two. Parents are not required to pay the EFC, the EFC is used only to determine the disbursement amount.
2. The award amount will be adjusted each subsequent academic year to offset the expiration or loss of other scholarships, awards, grants, waivers and changes in the recipient's EFC.
3. The scholarship is renewable for up to eight consecutive semesters if the recipient fulfills the renewal criteria and attends the second and fourth year free mandatory workshops.
4. During the fall semester of the second year of college each recipient will be provided with a **\$15,000** investment account to manage in order to learn first-hand how to invest to attain financial security.
5. During the fall semester of the third year of college each recipient achieving a 3.50 CGPA will be eligible for an all-expense paid study abroad and travel experience, worth up to **\$8,000**.
6. During the fall semester of the fourth year of college each recipient will receive **\$2,000** to fund a personal Brokerage Account.
7. There is no limit to the number of credit hours a recipient can earn during the term of their scholarship. Recipients graduating college in less than eight semesters can use the remainder of their Hagan Scholarship to attend graduate school.
8. Second and fourth-year recipients must attend a free summer workshop held prior to the start of the academic year.
