### COLLEGE SEARCH PLANNING & FIT

Together we will develop a timeline for individualized college planning including applications for admission, scholarships, and financial aid. We'll help you find colleges that provide the right fit for you and assist you with applications, essays, resumes, and mock interview preparations.

This process may include a personality indicator and interest assessment to guide you in researching a career cluster or college major that will best suit you. Career assessments are only for high school juniors, seniors, college students, and adults.

### FAFSA, STATE, AND OTHER FINANCIAL AID ASSISTANCE

Learn about different types of need-based and non-need-based aid, including federal and state grants, student loans, work study, and merit-based scholarships.

### ACT PREP

Rethink the ACT by discovering Get2College's best practices, tips, and strategies to master the test and achieve the score you need for admissions or scholarships. Prep workshops are for grades 10th-12th and adults.

Registration is required at [get2college.org](http://get2college.org).

### VIRTUAL COLLEGE COUNSELING

Through live chat, remote screen sharing, webinars, and video, you can learn about college planning and financial aid from the comfort of your home.

Call or book an appointment online 24/7.
