

CRASH!

**BREAKING
THE MOLD**

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry, no matter how small, should be recorded to ensure the integrity of the financial statements. This includes not only sales and purchases but also expenses and income. The document also highlights the need for regular reconciliation of accounts to identify any discrepancies early on.

In addition, the document provides a detailed breakdown of the accounting cycle, from identifying transactions to preparing financial statements. It explains how each step contributes to the overall accuracy and reliability of the accounting system. The document also includes a section on the importance of internal controls, which are designed to prevent errors and fraud.

The second part of the document focuses on the practical application of these principles. It provides a series of examples and exercises that illustrate how to record and classify transactions. These examples cover a wide range of business activities, from simple sales to complex transactions involving multiple parties. The document also includes a section on the preparation of financial statements, which are essential for providing a clear and concise overview of the company's financial performance.

Finally, the document concludes with a summary of the key points discussed throughout the document. It reiterates the importance of accuracy, regular reconciliation, and the use of internal controls. The document also provides a list of resources for further study and a glossary of key terms.

To wrestle is more than strength and endurance; it's the determination to pick yourself up when you're down and defeated, to come back and pin your opponent when no one else thinks you can. Wrestling is not for the timid or weak of heart. It takes all that you have 100% of the time.

The Greatest Victory In Sports Is Not In Any Record Book.

Whether you win or lose, sports teach you to come back with a better effort the next time. And that's one of the greatest victories you can achieve.

Sports also teach you teamwork, dedication and determination – values you can apply to every aspect of your life.

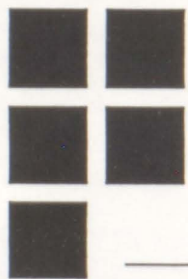

NationsBank truly believes in this spirit of sportsmanship. And we are proud to help this spirit grow through our support of sporting events at every level of competition.

After all, sportsmanship has the power to make winners of us all. And we know of no greater victory than that.

From the cute toddler you were to the sweet young lady you are now - time has passed swiftly - too fast for us. It seems like no time you were crawling and getting into things, which you still manage to do. Your life has been a miracle. God has truly watched over you and I know He will continue to do so. Since you have given your life to Christ, He will show you what path to take. We love you and hope you have all the best in your future.

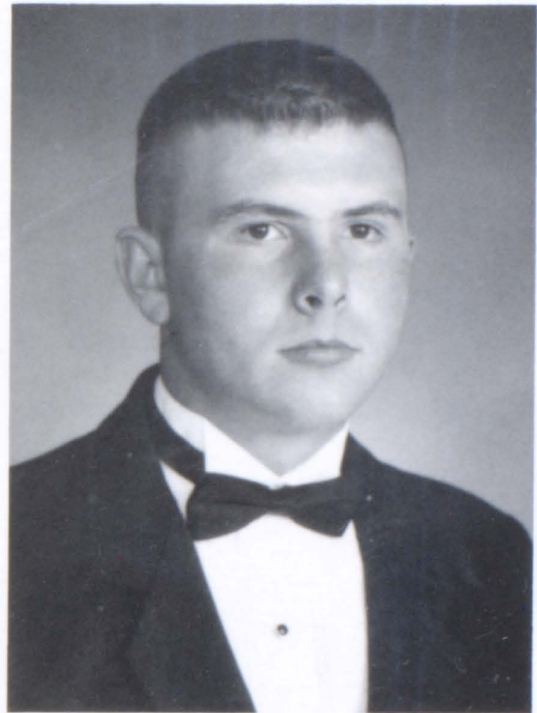

Mom, Laura, Mike, Dad, Mama Mary, Mama and Papa Webb

Proud of you

We are very proud of you - not so much for your achievements, but for staying sane and kind and caring in a world where such things seem less important than projecting the Right Image. Whatever your position you will have succeeded. For you'll not be spoken of with awe or fear or envy - but with affection and respect for being a good friend and a person of convictions - our son.

*If you accept the challenges
the world may bring to you,
Yet care about those values
that are of the spirit,, too ...*

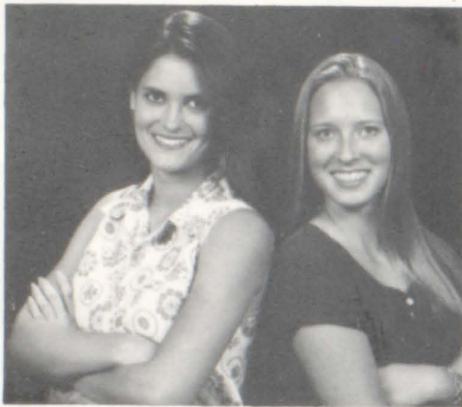

*If you develop all your talents,
every skill and art,
Yet never put success before
an understanding heart...*

*If you can live a life of love
and gentleness and trust,
Yet show determination
and courage when you must,
If you know it's up to you,
then you can open any door ...
And you'll be the kind of woman
the world is waiting for.*

TONY ROOKS

832-1135

On July 13, 1977, Debbie and Jerry Sanders
 received a Special Gift from God in Heaven.
 A Beautiful Baby Girl, with skin so fair,
 Bright Green Eyes and Golden Blonde Hair.

They didn't realize at the time, that one year later,
 She'd have problems, that wouldn't get better!
 She'd have to take medication that would make her slow.
 She tried real hard to not let her problems show.

She tried to fit in, and to have a Special Friend.
 That's when her heartaches really begin.
 Children mocked and teased her all her school years.
 Lots of time she'd come Home in Total Tears.

Sometimes normal Children don't realize or understand,
 what they have, and take for granted.
 A Child with a Medical Handicap, was not Granted.
 No one but her knows the pain or heartaches she faced.
 Just to try to be like them, and keep up the pace.

To us, her parents, She'll always be our Special Child.
 Now she'll face a cold hard world, as an adult, with a Smile.
 The Goal she's been fighting so hard to Win.
 Has now, after twelve long years, finally came to an End.

Through the Help of Doctors, Special Teachers, and Faith in God.
 On Graduation Day, she'll be equal as them, not counted Odd.
 All Diplomas will read and stand for the same.
 The only thing different will just be the Names.

So to You, "JERRI LYNN SANDERS" we your family say,
 Congratulations on "YOUR VERY SPECIAL DAY".
 Even tho you are among all the Rest,
 To us you'll always be the Best!
