

**Hernando High School
New Student Orientation
2023-2024**

HHS is out of this world!

Hello Class of 2027 and new students!

Welcome to HHS! We are so excited to begin this school year and thrilled that each of you will be joining our Tiger family. We are sure you have many different feelings about entering a new school, and we want to do everything we can to make the transition as comfortable and stress-free as possible. Our goal is to ensure that your experience at HHS is a great one.

The Counselors will be visiting some of your classes this year to review graduation requirements, discuss your career interests, and assist with your social and emotional wellness. Our office is located directly across from the front office, which you are welcome to visit anytime to ask questions, seek guidance, or just to say hi!

We hope the Orientation Packet will help to answer some questions that you may have. August 3rd will be here before you know it, and we are looking forward to getting to know each of you!

Clubs:

As a new student of Hernando High School you will hear to “get involved”. The best way to get involved is through clubs and being a part of any activity your class does. That could be the class float for Homecoming, decorating for pep rally’s, and class parties.

You will be able to sign up for Clubs after school begins. A description of the Clubs will be posted during sign up times, which is the end of August. These are a few of the Clubs we may have for next year.
