

Students OF THE MONTH

Evaline School Students Of The Month for November are:

Jaice H.
William P.

CONGRATULATIONS

BUS RIDER OF THE MONTH:

GRAICE H.

G R E A T
J O B

Student of Character Award

Each month one student from each classroom is recognized for their participation and application throughout the school day, particularly in their Social Emotional Learning Class. This weekly class focuses on one character trait during that entire month. In November the character trait was "GRATITUDE".

Congratulations to the following recipients for the month of November:

K-2nd: Pippa S.

3rd-6th: Colt A.

SEL: December Character Trait of the Month is CREATIVITY

Evaline Families

Only one more week until
Winter Break and boy are we excited
 about all the fun we have planned!
**Winter Break will begin Dec. 18th and we will
 resume classes on Jan. 2nd.**

Caroling Dec. 14th

All students will leave the school at 11:15 to go
 caroling at the Senior Center & Cardinal Glass.

**If parents would like to
 attend the caroling they can
 meet up at the Senior Center
 at 11:30 to enjoy some fun
 holiday songs sung by our
 students! Please have your
 students dress up in their
 holiday gear!**

Let's have a Party!

STUDENT HOLIDAY PARTY!!!

**"On the last day before break my true love gave to
 me... a late start and a student party!"**

On Friday, December 15th, we will have a 1 hour
 late start, due to our late night, the night before.
Staff and Students are encouraged to get into the
holiday spirit by either wearing holiday themed
 apparel or being cozy casual in our PJs. First we
 will have a fun and festive breakfast together. Then
 students will have an opportunity to participate in
 awesome activities as a whole school followed by
 gifts and activities for individual classes with their
 teachers until our early dismissal time of 11:30.

School Holiday Play!

Volunteers to Help with Hair, Makeup

All supplies are provided by the school.
 Contact: lgravette@evalinesd.k12.wa.us for
 one or both dates. We need volunteers here at
 11:45 AM on Wednesday Dec. 13th, and at
 5:45 PM on Thursday, Dec. 14th. Please let us
 know if you'd like to help as soon as possible.
 If you plan to volunteer, and have not already
 filled out a paper for a background check, you
 will need to do so as soon as possible. Please
 contact the office for the background check
 form. **Thank you for your support!**

Parking

Parking at the school is extremely limited.
 While we will be working hard to ensure all
 attendees have a safe place to park on site,
 any and all carpooling is very appreciated!
ALSO, if you would like to volunteer to help
 with parking that would be much appreciated.
 Contact: lgravette@evalinesd.k12.wa.us or
 the office if you would like to help.

Transitional Kindergarten - 2nd Grade November Student of the Month: Jaice Hope

It is with great delight that I can talk about November's Student of the Month and some of his many positive traits and qualities. This student is above all a great role model. He wants to know how to be successful and works relentlessly to learn, grow, and understand- even if the concepts are challenging at first. This student has one of the strongest growth mindsets I have seen. He also has a keen sense of ethics. He knows what is right and what is wrong and always chooses what is right, again, even when it is hard. I am so fortunate to know and work with Jaice Hope and to name him November's Student of the Month! **Way to go, Jaice!!**

3rd - 6th Grade November Student of the Month: William Puffinberger

For November's Student of the Month for the 3rd-6th graders I chose a student who shows up to school each and every day and works their hardest. I have seen great progress in this student's growth mindset since the beginning of the school year. They have become one of my first students to complete their independent math work each and everyday. In writing they have gone from scared to write anything for fear of it not being right, to writing several paragraphs independently and accepting feedback as needed. For their continued growth November's Student of the Month goes to William! **Great job, William!!**

Here are our students who made it to new LEAPS as of November 30th! Way to go, keep on reading and taking those AR tests!

Leap One - 10 Point

Jackson M.
Preston D.
Apollo W.
William P.
Jazmyn K.

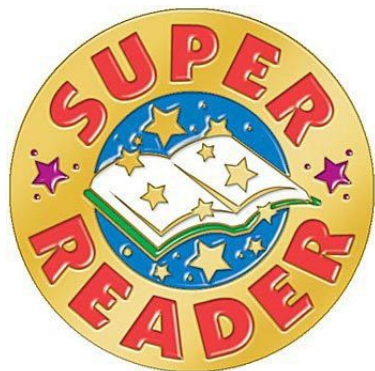

Leap Two - 20 Points

Zuriah H.
Brayden D.
Kaira H.
Dylan K.

Leap Three - 30 Points Brooklyn M.

Leap Four - 40 Points Lilly S.

Leap Five - 50 Points

Leap Six - 60 Points Sam B

TK and Kindergarten

Mrs. Tinnin

Kindergarten students learned the letters w, y, x, and j. They are writing the sounds they hear on their whiteboards instead of finding the card that matches the sound. Students are also reading BOB books to help reinforce the sounds they are learning. A couple of students are working on getting to the next level. After students finish each level, they will get a prize.

Kindergarteners took their test on addition. We will continue working on addition with different activities until the break.

TK students are finishing up their units learning about animals and shapes. They are going to do fun activities reinforcing what they have learned so far this year. After the break, they will learn about the story The Gingerbread Man. In math, they will learn about the numbers 6-10.

We are doing a lot of extra fun activities before the break. Hopefully, your child is sharing some of them with you!

First and Second Grade Explorers

Mrs. Mittge

We are looking forward to our holiday play! Please continue practicing lines with your child and if your child has not yet brought his/her costume please have him/her do so as soon as possible.

We have completed our research and writing on evergreen trees. Next week we will do a brief mini-unit on gingerbread and will be learning about light, sound, and snow upon our return from Winter Break.

Please continue to read aloud for 30 minutes each day over the break. Also, practice counting to 120 by ones, 2s, 5s, and 10s.

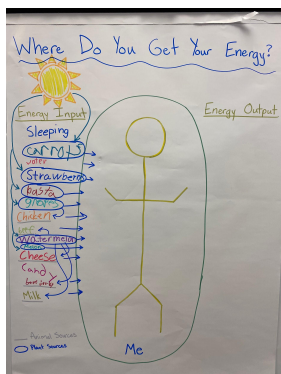

Wishing you all a very merry holiday season. It is such a gift working with your children!

Third and Fourth Grade Classroom

Mrs. Mars

This week students are starting a new unit in science, learning all about energy. We started the unit by exploring the concept of energy input and output.

3rd graders moved on to their last unit of multiplication where

they will be exploring how to multiply by multiples of 10s. They will finish this unit before we head to break and will be ready to start division upon their return. 4th graders Did an awesome job on their long division unit and have moved onto a unit all about factors and multiples.

Fifth and Sixth Grade Classroom

Mr. Burlingame

Next week we will be going caroling to the Winlock Senior Center and Cardinal Glass. Each class will also be serenading you during a few of the scene changes during the play so please come on down, enjoy the play and hear us sing traditional Christmas songs for you.

Just a reminder that next week is our last week of the year! Well, last week of 2023 that is. While our students are on a well deserved vacation, please have them read each day and get ready for AR tests when they return.

Parents- Please make sure your student is coming to school with appropriate winter weather clothing. With the weather getting colder and wetter, students who are not dressed appropriately may be held inside for recess. This is to keep them warm and dry so they don't get sick. Thank you for understanding.

We'll see you next week at the play!
