

DNR MN HUNTER EDUCATION CERTIFICATION

WHAT and WHO: You need a hunter education firearms safety certificate to purchase a Minnesota firearms hunting license if you are born after December 31, 1979. The classroom portion is done online at your own pace at your home with a Range Day required for those 11-13 years of age after completion of the classroom portion in order to complete the DNR MN Hunter Education Certification. Students who are 14 years of age and older are not required to take a Range Day.

CONTACT: If you have questions, please contact Aaron Menze, (218) 640-6658.
