

Join Rappahannock PTO today!

Your Child Benefits – Research shows that children perform better when parents are engaged in education both at HOME and SCHOOL. Parental involvement boosts student achievement.

Your School Benefits – PTO provides support for our teachers and administrators in the school. PTO advocates for funding to support and enhance school programs, facilities, and activities.

YOU Benefit – You will have the opportunity to make great connections with other parents. Also, volunteering with PTO allows you to contribute your skills and knowledge for the benefit of your child, your school, and your community!
