- Enrolling in Dual Enrollment courses begins the student's college transcript, which is permanent.
- If a student withdraws from a Dual Enrollment course, the course will be reflected on the high school transcript as reflected on the college transcript. The student must follow the college policy to withdraw from a course and notify the high school of the withdrawal.
- It is the student's responsibility to submit all Dual Enrollment paperwork at the time of registration to the counselor or designee by the deadline.
- The student will have to provide transportation to and from the college campus if required.
