The language for the agenda item and motion is “closed session under KRS 61.810(1)(f) for a student disciplinary hearing.” There does not need to be an action item after the closed session. The expulsion decision is made in closed session in the presence of the parent(s)/student. After the closed session, the chair can either say “action on student discipline was taken in closed session as authorized by the Office of the Attorney General” or can just move on to the next item on the agenda.
