The Formal Ceremony

DD

In an effort to formalize Central High School's graduation ceremony, students and faculty are asked to unify in formal dress so the graduate, not the attire, is the focus of the event.

Graduation is a celebration for the entire class, not the individual. The formal attire worn by a graduate is the most iconic graduation tradition.

The robes and caps are inseparably tied to the event. The idea of graduates wearing academic robes dates back to the 12th and 13th centuries. Oxford and Cambridge were the first recorded schools to standardize the long gowns to represent unity during graduation. The square cap symbolizes the square shape of the quad on Oxford's campus.

Formal clothing will be provided to students with limited resources. See Ms. Lane or Ms. Smith for assistance.

Pos and Don'ts

- Do bring a clear bag to UWG.
- Do bring a ticket for everyone in your party, and stop by the Will-Call window if you need an extra. Fire Marshal policy requires everyone, even babies, have an admission ticket.
- Do bring a smile and our celebration of graduates.

- Don't SAVE SEATS!
- Don't bring food from outside vendors. Food is available inside the coliseum.
- Don't walk on the coliseum floor, only graduates and teachers are allowed on the floor.
- Don't smoke, chew, or vape on UWG campus.
- Don't bring balloons or noisemakers inside the building.

Approved Honor Regalia

- Honor cords signify a level of academic achievement in the awarded field or pathway. Honor cords are awarded only to those students who have met the standards of a State or National organization which sponsors an Honor Society and to which the local organization has an active affiliation.
- Regalia is awarded for the completion of a program, service project, or for maintaining an academic grade point average.
- Students may not wear items received from outside groups which include military recruiters, churches, cultural, and/or national organizations.
- Graduates are asked to removed said items before the ceremony or upon entering the stage ramp.

Example: American Red Cross

Approved Honor Regalia

- Once awarded, it is the student's responsibility to keep up with the regalia.
- Lost or damaged regalia is replaced at the student's expense.
- Graduates may not decorate the top of the mortarboard cap for the ceremony.
- Students are expected to pay all outstanding fees before diplomas are awarded.
