## **COMMITTEE OF THE WHOLE:**

### **POLICY:**

Chairperson: Danielle Scott

Members: Theresa Cooper, Markee Robinson

The Committee met Monday, April 8, 2024.

5:30 p.m. in the Central Office Conference Room in the Administration Building.

Updates:

#### **Attendance:**

- Markee Robinson
- Theresa Cooper
- Dr. Neff
- Douglas McGarry
- Danielle Scott

During the meeting, the following were reviewed:

- Bylaw #0155 Board Committees
  - The subcommittee plans to compare and examine Bylaw #9130, which discusses the creation of subcommittees. The thought behind reviewing this policy is to ensure that decision to operate with or without subcommittees is decided and voted on by the Board and not just the Board President.

- It was also agreed that subcommittee meetings can take place virtually or in-person.
- Additionally, this subcommittee needs to ensure that these two policies are not redundant or duplicative.
- Bylaw #0164.6 Remote Public Board Meetings During a Declared Emergency
  - The subcommittee intends to extrapolate some of this language from this bylaw to focus on offering virtual meeting options for members and the public.
    - The subcommittee will review policies and bylaws from other school districts (Kingsway, Voorhees, Haddon Heights, etc) that address virtual meetings.
    - Issues around confidentiality were identified when discussing the possibility of virtual executive sessions.
- Bylaw #0165 Voting
  - The subcommittee is interested in virtual voting for Board meetings. This will make voting results easier to capture in the minutes.
    - To make this possible, the Board would need be issued a Chromebook to use during the meetings and IT support at each meeting, as well as some training/capacity building.
- Recording of Board Meetings and minutes
  - The subcommittee agreed to add the usage of *BoardDocs* for approval to the April agenda.
    - The estimated cost is \$11,000 per year.
    - This database will allow for a more concise way to develop the agenda and maintain the meeting minutes.
    - If approved, the roll out of this will take place incrementally. The first stage is that it would be used to create the agenda and keep meeting minutes. Eventually, linking in the virtual/electronic voting will take place in the future.
    - In the interim, the subcommittee agreed that the Board Secretary purchase a recorder with microphones to record all Board meetings.
- Fan conduct and banning fans from athletic events.
  - The subcommittee agreed to review other school districts' policies, procedures, and/or bylaws.
- Reserving School District Facilities
  - The subcommittee is interested in developing a policy to charge a variety of entities to utilize facilities and grounds in the district.
  - The subcommittee reviewed policies from Woodbury and West Deptford.
  - At the next meeting, the subcommittee will identify those entities who can use the facilities and grounds for free.

During this meeting, it was discovered that there may be redundant/duplicated policies and bylaws. At some point in the future, this subcommittee will review, compare, and analyze the policies/bylaws that are possibly duplicated.

Markee Robinson:

- Looking into updating Facilities Policies to charge entities for their usage.

- Question from Lawrence Haynes: Are we permitted to charge for use of Facilities?
