Introduction/Purpose of Solicitation

The purpose of this Request for Proposal (RFP) is to enter into a fixed-price contract with a food service management company (FSMC) that will provide Our Community School (hereinafter referred to as the school food authority [SFA]) with food service management assistance for their food service operation. The FSMC will provide services to the SFA as described in the Scope of Work in the Model Fixed-price Contract.

The SFA's food service goals are to provide nutritious, high-quality, minimally processed meals to students and participants in the National School Lunch Program (NSLP), School Breakfast Program (SBP) and After School Meal Supplements (Snacks), to accommodate special diets where medically necessary, improve the nutritional quality of meals, and maintain a financially viable food service program (Title 7, *Code of Federal Regulations* [CFR] sections 210.10 and 220.8, if applicable).

General food service goals are to:

- Provide appealing, minimally processed meals that meet all local, state and federal nutrition standards.
- Promote student participation in the program through engagement with students, staff, and the community; offer each student an opportunity to receive food that will add to their physical well-being
- Create awareness of the direct correlation between adequate nutrition for students and their ability to learn and thrive; provide special activities and resources to assist in teaching students about nutrition
- Increase participation at all levels of the food service program by improving meal quality, seeking student and parent input, offering menu variations, and improving planning; function as an integral part of the educational system provided by Our Community School
- Maintain reasonable prices for students participating in the food service program
- Provide fresh, home-style foods

All procurement transactions are to be conducted in a manner that provides maximum open and free competition consistent with Title 2, *Code of Federal Regulations* (2 CFR), Section 200.319(a)(b)(c)(1-7). The SFA must share with every Respondent all information necessary for submitting a competitive proposal. The release of this RFP, evaluation of Respondents, and award of a contract will use competitive bidding standards established in all applicable California state and federal statutes and regulations.

Outlined below are competitive bidding basic standards:

- The purpose of soliciting competitive proposals is to secure public objectives in the most effective manner and avoid the possibilities of graft, fraud, collusion, etc.
- The SFA released this RFP to benefit the SFA and not the Respondents.
- Fulfillment of RFP specifications is based on full and fair competition and acceptance by the SFA of the most responsive and responsible Respondent to the SFA's requirements, as determined by the SFA when evaluating proposals based on the criteria contained in the RFP.
- The RFP must provide a basis for full and fair competition among Respondents to a common standard, free of restrictions that tend to stifle competition.

The above four points are for illustrative purposes only, and do not include all California state and federal requirements to achieve competitive bidding.

To respond to this RFP, interested FSMCs must present evidence of experience, ability, and financial standing necessary to meet the requirements stated in this RFP. The SFA will measure this evidence by scoring the proposals, using a point system that will rank each proposal from highest to lowest, to determine which proposals they will consider for the award of a contract.

To be competitive in this solicitation, the Respondent must:

- Carefully read the entire RFP, attachments, exhibits, addenda, and SFA responses to questions before submitting a proposal
- Ask appropriate questions or request clarification before the deadline in the RFP
- Submit all required responses by the required deadlines
- Follow all instructions and requirements of the RFP thoroughly and appropriately

If a Respondent discovers any ambiguity, conflict, discrepancy, omission, or other errors in this RFP, the Respondent shall immediately notify the SFA of the error in writing and request clarification or a modification of the RFP. If the Respondent fails to notify the SFA of the error prior to the date for submission of proposals, and is awarded the contract, the Respondent shall not be entitled to additional compensation or time by reason of the error or its later correction.

General Instructions for Respondents

1. Prepare proposals simply and economically. Provide a straightforward concise description of the Respondent's capability to satisfy the SFA's requirements. Emphasis should be placed on completeness and clarity of content.
2. Submit proposals for the performance of all the services described within this RFP. The SFA will not consider any deviation from these specifications and will reject such proposals.
3. The SFA may reject a proposal if the proposal is conditional or incomplete, deemed nonresponsive, or if it contains any alterations of form or other irregularities of any kind. The SFA may reject any or all proposals or waive any immaterial deviation in a proposal. The SFA's waiver of an immaterial deviation shall in no way modify the RFP document or excuse the Respondent from full compliance with all other requirements if awarded the contract. The SFA may reject a proposal if it is deemed overly responsive or contains language that provides any added value not requested in the RFP.
4. Respondents are responsible for the costs of developing proposals and shall not charge the SFA for any preparation costs.
5. The SFA asks Respondents that do not intend to submit a proposal to notify the SFA in writing.
6. Respondents may modify their proposal after submission by withdrawing the original proposal and resubmitting a new proposal prior to the submission deadline. The SFA will not consider proposal modifications offered in any other manner, either oral or written.
7. The Respondent shall include a 21-Day Cycle menu for all programs to be served (7 *CFR*, sections 210.16[b][1] and 220.7[d][2][i])
8. Respondents may withdraw their proposal by submitting a written withdrawal request to the SFA, signed by the Respondent or their authorized agent, through the contact person named in the "Contact Information" provided on page iv of this RFP. Thereafter, a Respondent may submit a new proposal prior to the proposal submission deadline. Respondents may not withdraw their proposal without cause after the proposal submission deadline.
9. The SFA may modify the RFP prior to the date given for submission of proposals by posting an addendum on www.ourcommunityschool.org. The SFA will notify Respondents so they can obtain any addenda from the SFA's web site or request it by email.

10. The SFA reserves the right to reject all proposals for reasonable cause. If the costs of all proposals are excessive, or a responsive and responsible Respondent is not identified, the SFA is not required to award a contract.
11. The SFA will not consider more than one proposal from an individual, firm, partnership, corporation, or association under the same or different names. Reasonable grounds for believing that any Respondent has submitted more than one proposal for work contemplated herein will cause the SFA to reject all proposals submitted by the Respondent. If there is reason to believe that collusion exists among the Respondents, the SFA will not consider any of the participants of such collusion in this or future solicitations.
12. The SFA will not consider a joint proposal submitted by two or more entities.
13. Additional charges for regular or express delivery, drayage, parcel post, packing, cartage, insurance, license fees, permits, or for any other purpose shall be included (and separately identified) in the proposal.
14. All proposals shall include the forms provided as attachments to this RFP. Respondents may copy these forms. A proposal is considered responsive if it follows the required format, includes all attachments, and meets all deadlines and other requirements outlined in this RFP.
15. The SFA shall not accept proposals after the submission deadline specified in the RFP and shall return the unopened proposals to the respective Respondents. The SFA will not consider late proposals under any circumstances.
16. Respondents are responsible for examining the entire RFP package, seeking clarification for any item or requirement that may not be clear to them, and checking all responses in their proposal for accuracy before submitting it.
17. Respondents may submit their questions regarding the information presented in this RFP to Kim Montgomery at kim.m@ourcommunityschool.org, no later than Friday, July 31, 2026 at 3:00 pm. The SFA will answer all questions received by the deadline in writing without exposing the query source. This will be the sole process for asking and answering questions regarding this RFP. Respondents may not contact SFA employees directly to ask questions.
18. SFA representatives reserve the right to inspect a Respondent's other food service operations prior to any award of a contract.
19. The SFA reserves the right to negotiate the final terms and conditions of the contract, which may differ from those contained in the proposal, provided the SFA considers such negotiation to be in its best interest. Any change in the terms and conditions must not create a material change, which is any alteration or modification to the original terms stated in the RFP that would have resulted in

different proposals from all respondents. A material change will require the SFA to rebid the contract.

20. Interested Respondents are required to inspect the SFA's premises prior to submitting a proposal to determine all requirements associated with the proposed contract. The inspection of premises will occur during the Mandatory Tour (if applicable).

21. Respondents shall submit an electronic copy of their proposal in a commonly accessible digital format (e.g., PDF).

- a. The electronic submission must contain the original signature of the individual(s) authorized to bind the Respondent contractually and be labeled "Master Copy".
