Houston County School District to Distribute Snacks on December 19

HOUSTON COUNTY, GA – The Houston County School Nutrition department has been approved to provide free snack kits for children ages 18 and under during winter break. Each kit includes a variety of shelf-stable, kid-friendly items such as graham crackers, cereals, juice, sunflower seeds, Goldfish, Cheez-Its, and more.

“We are excited to provide snacks for families over winter break and provide this support to our community,” said Meredith Potter, Director of School Nutrition for the Houston County School District. “These snack kits will be especially helpful for children who are home while adults work, as well as for families traveling during the holidays.”

The kits will be distributed on Friday, December 19, from 2:30 p.m. to 4:30 p.m., or while supplies last, at the following locations:

Bonaire Middle School
125 Highway 96 East, Bonaire

Langston Road Primary School
325 Langston Road, Perry

Northside Elementary School
305 Sullivan Road, Warner Robins

Each site will have 1,000 snack kits available. Distribution will take place in the bus or car rider lanes, following traffic patterns established during the Summer Feeding program. Updates will be shared on the [School Nutrition Facebook page](#).

For more information about the School Nutrition Program, visit www.hcbe.net/schoolnutrition.
