Perry Middle

# Safety and Security

- ★ Over the past year, we have completed the access control for the front office door. In addition, we have completed the re-key project which includes the intruder function.

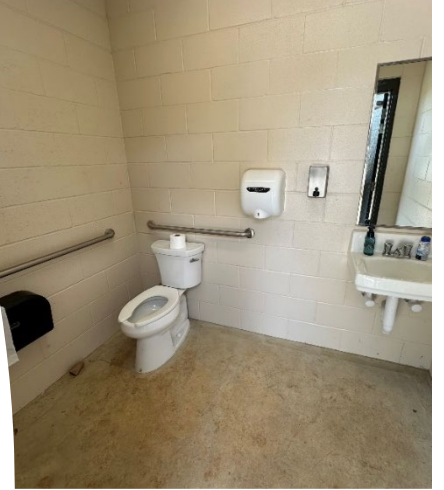

# Agriculture Updates

★ Completed the construction of the Bonaire Middle and Huntington Middle barns.

★ Worked with a local contractor to build restroom and storage facilities at each of the five high school farms.

# Athletic Updates

★ Northside  
High Baseball  
and Softball  
Complex

★ McConnell-Talbert  
Stadium

# Athletic Updates

## Middle School Tracks

- ★ Completed track upgrades at several middle schools.
- ★ Currently working on the Warner Robins Middle upgrade.
- ★ During FY26, we will convert Northside Middle to a rubberized track. This project will also include a bathroom and concessions facility for their football stadium.

# 2022 – 2027 E-SPLOST

We have a few major projects remaining in our current E-SPLOST campaign as well as the local Capital Outlay program.

- **STEM Academy** – We are working with Altman and Barrett to develop a design for this facility.
- **Performing Arts** – This is a partnership with our local municipalities. We will work to organize efforts with their leaders to search for a design professional for this project.
- **Perry High Renovation and Classroom Addition** – Phase 1 is scheduled for the current E-SPLOST. Phase 2 will be in the next E-SPLOST cycle.
- **Warner Robins High Baseball and Softball Complex** – This is currently under construction.

# 2027 – 2032 E-SPLOST
