

Kindergarten ROCKS

Welcome TVES Kindergarten Families,

We are so excited to have your child in our class this year! We will be busy moving and setting up our newly constructed kindergarten rooms this summer and can't wait to share our new classroom with our new students! We set very high expectations for each student in our classrooms because we KNOW that every child can succeed! We are going to do everything we can to make our time together fun, educational, and easy for families. We are excited to work as a team this school year!

Here at Tanque Verde we provide a safe educational environment that fosters developmentally appropriate academic, social, and emotional learning..You will be receiving more information in the upcoming weeks to help prepare you and your child for kindergarten. Please remember that the Kindergarten Team and Administration are always available to answer any questions or concerns you may have.

Please Give your children an extra hug at night and tell them it is from their teachers. We can't wait to see you on the first day of school!

MEET YOUR KINDERGARTEN TEACHERS

Mrs. B

Hi! I am excited to have been at TVES for 34 years - all in KINDERGARTEN! I have taught many of your parents and am now excited to teach the next generation! My family includes my incredible husband, Bill, oldest son Billy, middle son Jordan, daughter Jocelyn, and youngest son Jack. I LOVE my dogs and adore my horse, Dough Boy. I compete with my horse in Ranch Sorting. My favorite things to do: ride my horse and eat out with my family as we all love to laugh, joke and enjoy time together.

Mrs. Nottingham

Hello students and families! Welcome to kindergarten! My name is Mrs. Nottingham and I am so happy to be your teacher. I have been looking forward to meeting you all summer. This school year will be my eleventh year teaching kindergarten here at Tanque Verde. I have been part of the Tanque Verde community for over 20 years. I am happily married to my husband Brian and we have two sons Bailey and Bennett. I love decorating, gardening, spending time with my family, and teaching kindergarten!
