101	I have concerns regarding the new technology plan. I prefer to see hands on learning with a limited focus on technology use to reinforce that learning. I think it would be great for teachers and administrators to discuss how to create a healthy balance of active hands on learning and technology.	2/18/2022 10:18 AM

114	Before Covid, I would have said the teachers and administrators did an excellent job of keeping parents informed. Since Covid, I feel that we are sort of flying blind about how things are being done concerning Covid. I also understand that the policies concerning Covid changes	2/17/2022 10:55 AM
