

CULINARY ARTS

PATHWAYS MENU

Prostart

An industry-backed culinary arts and restaurant management program for high school students.

- Integrates practical skill sets to become a successful Industry leader
- Allows students to become familiar with restaurants & foodservice
- Exposes students to innovative career opportunities

Force in Training

FIT uses industry leaders to teach high school students how to land a job, be a good employee, and be a leader — Land It, Work It, Lead It.
