

BTAM Training: Proactive Violence Prevention

Huron Intermediate School District (HISD)

Friday, April 24th | 9:00 a.m. – 3:00 p.m.
Includes a working lunch.

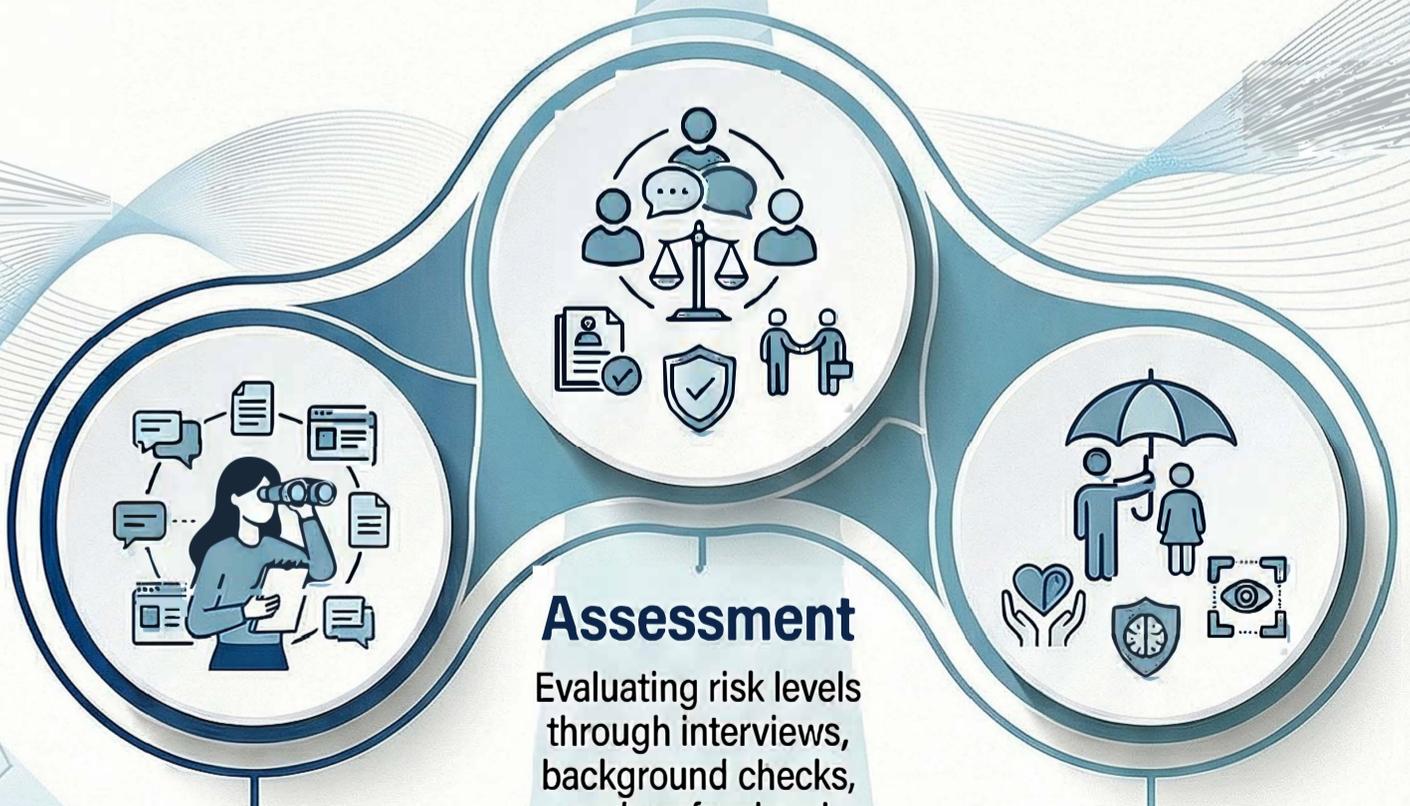

HISD Administrative Office
1299 S Thomas Road
Bad Axe MI 48413

Evidence-Based Safety Process: A proactive approach to identify and mitigate risks before they escalate.

The Three Pillars of BTAM

Identification

Recognizing concerning behaviors by gathering information from multiple sources.

Assessment

Evaluating risk levels through interviews, background checks, and professional consultations.

Management

Implementing interventions like counseling or monitoring to ensure individual and community safety.
