Dear Families of Kings Chapel Cougars:

The 2023-2024 school year is here! On behalf of the Kings Chapel Elementary staff, I would like to welcome everyone to a school year filled with exciting learning experiences and fun events that are sure to make this year special. We are committed to providing the best possible learning environment for our students and will do our best to make our Kings Chapel community proud of our school.

At Kings Chapel, we value communication with all our families. We strive to provide information in a variety of ways including weekly Monday night phone calls from me, a monthly school newsletter, and Wednesday folders. You can also keep up with important school news through Facebook, Instagram, Class Dojo posts, and our school website.

Many opportunities for families to get involved will be offered throughout the school year. School Council meeting dates will be posted on our website and our PTO is always looking for volunteers. Events such as holiday lunches, Green and Gold Honor Roll ceremonies, and Field Day are all opportunities for families to join us at school. Parent University is another way for you to learn important information about your child's instruction. Your participation in our fundraisers is also encouraged and important to the success of our school.

Our theme this year is "KCES... where kids are #1". This theme shows our commitment to putting students first in all that we do. We will continue our emphasis on literacy and reading at Kings Chapel because it is the foundation of all student learning. As always, you can help by reading to your children at home, talking with them about the books that they read at school, and encouraging them to achieve their reading goals. It is going to be a fantastic school year. Thank you for your support of Kings Chapel!

Sincerely,

Shelley Shillcutt

Positive Always respectful Work hard Safe
