### **KINGSTREE HIGH SCHOOL HOSTED A DINNER AND DIALOGUE FOR THE CLASS OF 2026**

Kingstree High School recently hosted a Dinner and Dialogue event for the Class of 2026, bringing together graduating seniors, school leaders, and parents for an evening of conversation, celebration, and encouragement.

The event provided seniors with the opportunity to share their high school experiences, discuss future plans, and receive valuable guidance as they prepare for the next chapter of their lives. Through open dialogue, students connected with educators, counselors, and local leaders who offered words of wisdom, practical advice, and motivational support.

Mr. Marcus Keels, Senior Class President, praised his classmates for their achievements and resilience, noting the importance of the event in fostering a supportive school community. "Dinner and Dialogue is a way for senior students, parents, and educators to come together to prepare seniors for the ending chapter of their high school year and the beginning of their new chapter of their life."

The evening included a catered dinner, keynote remarks, and interactive discussions covering topics such as career readiness, college success, and life skills. Seniors expressed gratitude for the opportunity to engage in meaningful conversations in a relaxed and welcoming setting.

Kingstree High School extends appreciation to the faculty, staff, and community partners who helped make this event possible.
