

Good morning! Hope everyone is having a great summer! I wanted to send out some Salem Stadium reminders as we approach the football season.

Clear Bags

Salem Stadium has a clear bag policy in place. Bags that are made of clear plastic, vinyl, or PVC are allowed. They should be no larger than 12" tall x 6" deep x 12" wide (similar to a one gallon plastic Ziploc bag). Small clutch bags, approx. 5.5" tall x 8.5" wide with or without a strap are also allowed. Exceptions will be made for medically necessary items but only after a proper inspection.

Approved Bags

Small clutch bag, approximately the size of your hand. With or without strap.

Clear plastic, vinyl, or PVC bag.
No diaper bags or backpacks allowed unless clear and meeting new guidelines.

One Gallon Resealable Storage Bag

There is NO RE-ENTRY into the stadium once you leave. Tickets will be sold throughout the game even after halftime and there will be security personnel at the gates.

Seating

On the home side, the Pride of Salem Marching Band will occupy the lower section highlighted in blue in the image. The Salem Student Section will occupy the lower section beside the band highlighted in black. Fans who purchased Reserved Football seats will sit in the section highlighted in maroon. All other seats are general admission seats.

Expectations

We love for students to pack our student section and help cheer on our team. In doing so, we want to remind you of acceptable behavior. No artificial noise makers will be allowed like air horns, whistles, or confetti cannons to name a few. If you are caught with these items, you will lose your privilege to attend games. No outside footballs or beach balls are allowed inside the stadium. Be loud, be proud but be RESPECTFUL!

Middle School

Middle School parents, please do us a favor and attend the game with your son or daughter. If you are unable to attend the game, please make sure you have made arrangements with another adult to be responsible for your child at the game. We discourage just dropping off your middle school student at the gate and then picking them up without an adult responsible for them while at the game. Please have a conversation with them concerning acceptable behavior at the game. We appreciate your understanding and for your support.
