## Perfect Attendance in the 1st Semester

The Evaline School District recognizes students with perfect attendance each month at our Lion Pride Assembly. We realize students get sick or take the occasional family trip, but we want to emphasize how important it is to come to school. 92% of our students have had perfect attendance for at least one month!

The following students have had perfect attendance for three or more months:

**3 Months:** Finn, Hoyt, Isabella, Jackson, Jazmyn, Preston, Rowen N., Rowen S., Sasha, Willow.

**4 Months:** Aaron, Audrey, Brooklyn, Ellis, Kylie, Pippa, Scarlett.

**5 Months (perfect attendance 1st semester):** Dylan, Jaice, Kiara, William.

## Valentine's Day Party Wednesday, February 14th

We will be celebrating Valentine's Day on Wednesday, Feb. 14th with an all school party to eat a treat and open our valentines at the end of the school day (The 14th is an early dismissal day at 11:30). If your child is choosing to bring valentines, please make sure they bring enough for everyone in their classroom. Students may give valentines to students or staff outside of their classroom, but this is not required. Valentines should be brought in on either the day before, or on Valentine's Day, as these are the two days we have set aside time to deliver them.

***Our awesome Booster Club will provide strawberry milk, fruit with dip, and a take-home valentine treat at the party. Thank you Booster Club!!***

## SPIRIT WEEK!!

We all had a great time dressing up for spirit week last week! Here are a few fun pictures!

## TTK - 2nd Grade January Student of the Month: Saela Stromer

I chose Saela for Student of the Month because she is eager to learn. She works hard and tries her best. Saela takes on challenges and works hard until she is successful. She celebrates her accomplishments and continues to try new things. She is kind and a friend to everyone. Saela is a ray of sunshine in our classroom. I am happy to announce the TK and Kindergarten student of the month as Saela. **Congratulations, Saela!**

## 3rd - 6th Grade January Student of the Month: Norah Gilmon

I chose Norah for Student of the Month this month. She has worked hard to achieve the standards of each assignment and tries to keep on top of her homework. She has successfully completed a lot of AR tests. Her hard work along with her good attitude in class has made her stand out. **Congratulations Norah!**

## Here are our students who made it to new LEAPS as of February 1st! Way to go, keep on reading and taking those AR tests!

## TK and Kindergarten

Mrs. Tinnin

This week kindergarteners are learning about the ch, sh, and th sounds. They practice writing the sounds they hear and reading words with the sounds.

In math, kindergarteners are finishing up their subtraction unit. They should be ready to take their test next week. We are also playing What Doesn't Belong. Students are shown four pictures and they have to say which one they think doesn't belong. There are no wrong answers if they have a valid reason as to why they picked their choice.

TK is learning about the numbers nine and zero. They also continued their plant unit. They listened to the story Flowers by Vijaya Khisty.

Tuesday is 100's day! There will be in-class activities to celebrate our 100th day of learning for both TK and kindergarten.

## First and Second Grade Explorers

Mrs. Mittge

Exciting times as always in this busy little world of learners!

Students have completed their opinion pieces on whether cats or dogs make the best pets. They have begun research on salmon and will be writing research reports next week. As we formulate these pieces we are using the writing process: brainstorming, prewriting, drafting, editing, and finalizing. Please continue reading and telling stories with your children.

We are also really working hard on thinking and acting like mathematicians and scientists. We seek to use logical procedures that make sense. Students are so impressive as they tackle mathematical operations, story problems, and explanations. Please work with first grade students on mixed addition and subtraction problems and second grade students on triple-digit addition and subtraction with and without regrouping.

Next Wednesday we will be celebrating Valentine's Day and 100s Day. **You are invited to bring Valentines, 100s collections, and dress as your 100 year old selves.**

Also, conferences are next week. I have tried to reach out to families to schedule conferences. **If you wish to schedule a conference please message me on ClassDojo, e-mail, or call so arrangements can be made.**

## Third and Fourth Grade Classroom

Mrs. Mars

We are gearing up for a very busy week next week. Students will have full days of school Monday and Tuesday followed by half days the rest of the week.

Important things to keep in mind for the week:

**Wednesday-** Valentine's Day! Students will have an opportunity to pass out Valentines prior to a delicious snack provided by the Booster Club. This is also the 100th day of school! Students are invited to dress up like their 100 year old self.

**Friday-** Our class will be headed back to Winolequa Park to conduct our winter water testing. Students should plan to dress warm. Hats, boots and coats are suggested. Students will use the results they get this day to compare to the results they got in the fall. They will share these results with other students at the GREEN Congress in March.

## Fifth and Sixth Grade Classroom

Mr. Burlingame

Our current unit in ELA is on Bud, Not Buddy which will culminate with a project on personal rules to live by. We have also delved into new subjects in math with 6th grade starting to write and solve algebraic statements and equations and 5th grade multiplying fractions with cross-simplification.

Congratulations to our top 3 AR point leaders:

Sam 87.9 points  
Lillian 53.7 points  
Dylan 39.6 points

Thank you for being so diligent in signing the reading logs! I can't wait to see more students getting more leaps!
