

The Evaline School District #36 complies with all federal rules and regulations and does not discriminate on the basis of race, creed, religion, age, veteran or military status, color, national origin, sex, sexual orientation including gender expression or identity, or use of a trained guide dog or service animal by a person with a disability. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities and provides equal access to Boy Scouts and other designated youth groups. Inquiries regarding compliance and/or grievance procedures may be directed to, the school district's Title IX/RWCW 28A.85 Officer and/or Section 504/ADA Coordinator, Kyle MacDonald at 111 Schoolhouse Rd Winlock, WA 98596. 360-785-3460 kmacdonald@evalinesd.k12.wa.us

Students OF THE MONTH

Evaline School Students Of The Month for April are:

Zuriah H.
Audrey B.

Student of Character Award

Each month one student from each classroom is recognized for their participation and application throughout the school day, particularly in their Social Emotional Learning Class. This weekly class focuses on one character trait during that entire month. In April the character trait was

“Cooperation”.

Congratulations to the following recipients for the month of April:

K-2nd: Faye B.

3rd-6th: KayLynn W.

Muffins With Mom
May 10th @ 8:15am

Please join us tomorrow, Friday, May 10th from 8:15am - 8:50am for Muffins with Mom. Students may bring Mom, Grandma or a special someone. There will be muffins for parents and students. Get your muffin and make your way to your student's classroom and hang out and/or listen to a story or two.

Teacher Appreciation Week

We had a great time celebrating our wonderful teachers this week!! THANK YOU again to all of our awesome Evaline teachers!!

**Mr. Burlingame,
 Mrs. Mars, Mrs. Mittge,
 Mrs. Tinnin, Mrs. Duren
 and our sub Ms. Zoey.
 WE APPRECIATE YOU!!**

TTK - 2nd Grade

April Student of the Month: Zuriah Hardenbrook

April's Student of the Month is someone who has exhibited an extraordinary growth mindset this school year. During a school day we learn how to solve math problems, read, and write. Also, essential to our future success is carrying with us the ability to tackle hard things and to persevere even when things seem new, scary, and really, really hard. I am so proud of how Zuriah Hardenbrook has nurtured these character traits. Her willingness to use a growth mindset and a positive attitude toward hard learning has made her a delight to work with and a truly professional learner. K-2's April Student of the Month is Zuriah Hardenbrook. **Way to go Zuriah!**

3rd - 6th Grade

April Student of the Month: Audrey Burbank

Audrey is the 3-6th grade student of the month! She does her best with any work presented to her and encourages her peers to do the same. She has a positive attitude throughout the day even when things don't go as planned. Her friendship to everyone and her sense of humor contributes to a joyful classroom environment. **Great job Audrey!**

Here are our students who made it to NEW LEAPS as of May 2nd!! Way to go, keep on reading and taking those AR tests!

Leap One - 10 Points

Ben W.

Leap Two - 20 Points

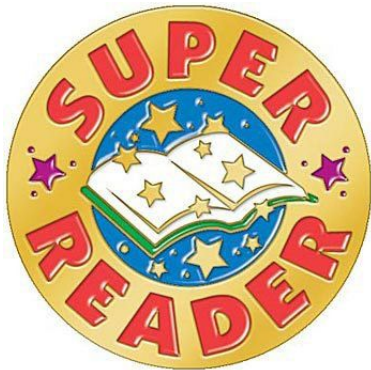

Brendan O.

Leap Three - 30 Points

Rowan S.

Leap Four - 40 Points

Brayden D.

Leap Five - 50 Points

Jackson M.

Leap Six - 60 Points

Audrey B.

Kaira H.

Zuriah H.

Leap Ten with 100 Points

John A.

Leap 30 with 300 Points!!

Sasha K.

Way to go!

TK and Kindergarten

Mrs. Tinnin

We are excited to have moms come to our classroom for Muffins with Mom on Friday!

This week kindergarteners learned about the silent e in words like game, same, hike, and kite. They also finished with their animal research and presentations. Students had fun sharing what they learned about their animals with the class. TK finished their habitats unit concluding with learning about farms.

In math, kindergarteners are learning about comparing the length, height, and weight of different items. TK continues to solve simple story problems with numbers up to five.

Thank you for sending in the items for the auction basket!

First and Second Grade Explorers

Mrs. Mittge

Wishing all of you mothers a very happy Mother's Day! We are eager to host our very special mothers on Friday for Muffins With Mom. Our class will have our Mother's Day gifts on desks and activities to do with students in our classroom as families snack on muffins from 8:15-8:45.

We hope to spend some more time in the garden as the weather improves. Please check in with your child to make sure s/he has a change of clothes in their cubbies that fit them.

Last, our class will keep working on first and second grade skills all the way until the last day of school so we have every opportunity to meet grade-level objectives. **Please keep reading every night aloud for 30 minutes. Reading is the most reliable way for students to meet grade level expectations.**

Third and Fourth Grade Classroom

Mrs. Mars

This week we celebrate the amazing Mrs. Zoey who has stepped it up and done an amazing job leading the class in my absence! Happy teacher appreciation week Zoey, you are a rockstar!

This week the class welcomed a new student Aleen into our 4th grade class. We are glad to have you Aleen!

Things to know for next week:

- I will be returning to class for the remainder of the school year. I have enjoyed my time at home with baby Emmett, but am excited to be back with the class.
- SBAC testing starts Monday. Please make sure your child is well rested and has a filling breakfast so they are ready to work hard and show off all their knowledge. No need to stress, they are going to do amazing!

Fifth and Sixth Grade Classroom

Mr. Burlingame

We have been very busy this week and will be next week working to finish up as much of the curriculum as we can before SBAC testing. This year the annual state test is scheduled for May 13nd through May 24th. Our testing schedule has been designed to only test students in the morning during core subjects while keeping their schedule in the afternoon the same. This way they don't miss PE, Music, Library, Technology, or any of the other specialist classes that they enjoy. We have also scheduled a few events that will happen during the testing window to give students mind breaks and let them relax a bit after working hard all morning. Because the schedule allows students to still do their active classes and because of the events in the afternoons, it is imperative that students are present at school and on time to school during the testing window. Please make sure that they get a full night's sleep and eat a full breakfast before coming to school so that they can do their best. Thank you for everything you do for Evaline!

Please Check Your Newsletter Envelope for A Very Important Letter From Mr. B.
