The mission of Gateway Community Action Partnership is to provide services that improve the quality of life and promote self-sufficiency.

621 infants, toddlers and pregnant women were served in Early Head Start, with a monthly average of 409 enrolled throughout the year, serving approximately 4% of children living in the Gateway service area.

1,108 preschool-aged children were served in Head Start with a monthly average of 972 enrolled throughout the year, serving approximately 11% of children living in the Gateway service area. Gateway coordinates with several of the school district preschool

Martini & Martini, Certified Public Accountants, has expressed an unmodified opinion (present fairly and are free from material misstatement) on the audited Financial Statements for Tri-County Community Action Agency, DBA Gateway CAP (a non-profit organization) which comprises Statement of Financial Position as of June 30, 2023 and 2022, and the related Statements of Activity, Functional Expenses, and Cash Flow for the years then ended in accordance with Generally Accepted Accounting Principle.

Gateway is federally monitored to ensure it meets program governance, program operations, and as well financial and administrative standards. Gateway's last Aligned Monitoring Systems review follow-up resulted in full compliance with standards.

Mom and Me

Dad and Me

"[I am] very happy and grateful for this staff. The love that my child and family receive is out of this world. We love our second family."

-CN, parent

"I like the program for my daughter. She loves her teachers and her friends. I like how attentive the teachers are with the children."

-RW, parent
