Message from the Interim superintendent/principal

Hello,

As per the school board's decision on January 21, 2025, I will now be serving in the temporary capacity of interim Oak Run Elementary School District superintendent/principal.

In that capacity my primary responsibility will be to assist the board and the school community in recruiting, interviewing and hiring your next superintendent/principal for the school/district.

This recruitment process will begin immediately.

Your assistance, cooperation, and support will be vital as you strive to present Oak Run School and the district in the best possible light to attract and retain an administrator who will lead your school community going forward.

I look forward to working with you for the sake of the students, parents, staff and the greaterOak Run community.

Regards,

Mark Telles

Mrs. Hanna's TK-3rd Grade

This was a short week. On Monday we stayed home and observed the inauguration of our new president and Martin Luther King Jr. Day. We are learning about both of those things this week. We will also be discussing what they would do if they were the president. Look for that craft and see what your student comes up with!

In science, we are learning '*Why Do Birds Migrate?*' Some birds will travel and leave their habitat to find food- and some do not. The Arctic Tern travels from the Arctic to Antarctica- that is a trip of more than 10,000 miles! How they migrate is still a mystery to scientists. Maybe we can come up with the answer!

In language arts kindergarten is learning about prepositions -a word that will tell them where something is located. Is it under? Is it behind? Is it above? That's what we will be focusing on this week. In first grade they are learning more about capitalization- all the days and all the months are capitalized! Second grade will also be learning capitalization as well capitalizing holidays and finding capitalization errors when they're looking at different text. In third grade, they also are doing capitalization! But they're looking at capitalizing books, movies and song titles.

Math is going along splendidly! I am amazed at how much they are learning and how fast they pick it up - they're so bright! Kindergarten is continuing with addition within 10 and even starting addition word problems! First grade is continuing with addition and subtraction within 20 - doing word problems and counting patterns. They are finding numbers that are missing and comparing numbers greater than and less than. Second grade is finding answers to word problems, finding two digit subtraction and addition. They are also learning how to do column subtraction, and addition. In third grade they are continuing on with multiplication and multiplying by 0, multiplying by 11 even multiplying by 12.

Every day is a gift when we get to learn and grow together! Enjoy today!

Mrs. Hanna

MUSIC MATTERS!

This week in our Oak Run School Music Classes, we are composing songs about our Wonderful School. This includes Lyrics, Cover Illustration, and Music Notes. We hope to share them all with you at our next performance. (Hopefully in March).

"Music is the universal language of mankind,"

*Breakfast is served with 1 cup of fresh fruit, lunch is served with ½ cup of fresh fruit and all meals are served with 8 oz. 1% or fat-free milk.
