  - Scientific calculator (Recommended TI-30XIIS)
  - One pair of wired earbuds/headphones to keep with your Chromebook (Wired earbuds/headphones only; wireless earbuds will not be allowed.)
  - Small mouse to keep with your Chromebook (optional)
  
- Paper / Folders
  - 2 packs of loose leaf (lined) paper for assignments (individual sheets - college or wide ruled)
  - Three 1 ½-inch binders, with pockets (for science, social studies, and math)
  - Multiple 2-pocket folders for assignment organization
    - One folder will be needed for writing explorations class.
    - Note: Many students have found that an accordion file or binder works well for organization instead of individual folders. Use a system that works for your student!

\*Note: Students will be required to keep their Chromebook chargers in their backpacks. If you need a new charger, the tech department will have some available for purchase in August. If you want to purchase your own, please make sure to purchase a Dell 3100 Chromebook UL Certified ODM 65W USB-C WALL AC charger. You will want a charger with the Dell logo on it.
