Taylor Elementary School Parent/Guardian Classroom Selection Input Form

Student Name
Current Grade Current Homeroom Teacher
Parent/Guardian Name
The intention of this form is so that parents/guardians can give input into their child's classroom assignment. No form will be accepted after the due date of May 15, 2015. No form will be accepted that specifically requests a specific teacher.
For example:
This type of response will be accepted: My son needs to be placed in a classroom that allows for lots of hands-on learning. Last year he was in a classroom that the teacher allowed the students to do projects and work in small groups. My son has excelled in this environment.
This type of response will <u>NOT</u> be accepted: My daughter would like to have Mrs. Johns. Her brother had her and they want the same teacher. OR My son needs to have Mrs. Johns because she is a great teacher.
You may rule-out one teacher. No specifics are needed.
Please write classroom input below and list one teacher that you'd like to rule-out. <u>Teachers are listed</u> on the back of this page. However, teachers are subject to change without notice.
