We understand that many of our school families reside in zip codes closer to other Catholic churches in the archdiocese. Therefore, to qualify for in-parish status, families must be registered parishioners at The Church of the Holy Spirit and must tithe a minimum of \$50/month to the Church (\$600 tithing per year). The annual Parishioner discount is \$1,334. **Parishioners are also asked to attend The Church of the Holy Spirit at least two times a month and are encouraged to get involved in parish life.**
