### A note from Mr. Cochran

It is hard to believe the 3rd nine weeks is coming to an end this month. Our PPS leaders have been working hard and have shown growth since returning from Christmas. We have a couple of more months of learning together, and it is important that we don't let up.

I hope you and your family are able to Sharpen the Saw during Spring Break and enjoy some time together.

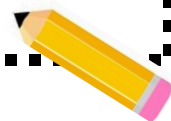

Thank you for your support.  
Mr. Cochran, Principal

### #LeadingRockstars

Our school's been transformed into **Seussville**, the Land of Reading! We're inviting your family to a night of Dr. Seuss style fun as we celebrate on March 2.

### What is the ACAP test?

ACAP, which stands for the Alabama

is our state standardized test that  
our **second graders** will take the week  
of March 27-31. It is very important that  
your child is here every day and on

they have made this year.
