Hello Thunderbolt Families,

Welcome to the 2023-2024 school!

My name is Rebecca Neal, and it is my pleasure to serve as your principal this year. I have been in education 30+ years and in school administration 16 years. While I have enjoyed working with students from PK – College, working with middle schoolers and their families are a favorite of mine! Middle school is an exciting time of change for young people, and such an important time of learning, thinking, and growing. It can also be a time of tumultuous feelings, peer relationships and finding new independence. It is our mission to create an incredible environment specifically designed for 7th and 8th grade students to thrive. This year we have partnered with Leader in Me where we will begin with the premises:

- Everyone can be a leader
- Everyone has genius

Our school day will begin with 25-minute homeroom periods where groups of students and staff can build positive relationships, growth mindset, study skills and leadership lessons including: Empowering Potential, Communication, Collaboration, Time Management, Developing Strengths, Developing and Executing Goals, Seeking Continuous Improvement, Curiosity, Perseverance, Passion Cultivation and Integrity.

Our desire is that every student and parent that comes on our campus feels seen, welcomed, and valued. Over the past year, we have raised the bar on staff and student expectations and accountability to ensure a safe and academic focused environment that is specially for students in 7th and 8th grades and all that this amazing, and sometimes challenging, pre-teen age brings.

There is a lot of research out there to support that when parents and the school partner together, it benefits the student and their learning. Please feel free to reach out to me and my staff with any questions or concerns. There are a couple important dates to mark where we hope to have you join us.

July 26-27 - Registration Days – Families stop by and receive their child's schedule and locker. We welcome you to walk your child's schedule and start practicing with their locker on this day.

7/31 - Open House – We can't wait to meet you! Open house will be in a "Meet and Greet" format. Students and families will go visit each of their child's classrooms to meet their new teachers and receive an introduction letter to see what each class is learning.

10/19 Fall Family Night – Have a family night out at Thunderbolt where we will have interactive activities for you to do with your child and receive more information about Title 1 and our school. Our monthly newsletter will have many other invitations including monthly "Family Night Out" where we descend on a local restaurant as a fundraiser for our school and get to see members of our school community at the same time. Our monthly newsletter is our primary way of communicating school information. Please look for it at the beginning of each month.

I am looking forward to seeing you soon.

All the Best,
Mrs. Neal
Thunderbolt Principal

IMPORTANT PHONE NUMBERS

Please take a few minutes and add both of these numbers to your phone's contact list.

Main Line: 854-7224
ATTENDANCE only: 854-7277

Parents/guardians can call to report an absence at anytime and leave a voicemail message - on the attendance phone number. If you do not call in your student's absence, you will receive an automated message from us.

ATTENDANCE MATTERS

EXCESSIVE ABSENCES OR TARDIES

It is critical for students to be in school to learn and just as important that they are in class when the bell rings. Every minute counts for the highest level of learning! We will recognize those classes periodically who have the lowest number of absences and/or tardies.

If a student is tardy more than four (4) times per quarter he/she will earn a consequence.

This includes *both excused and unexcused* tardies. Absences are considered excessive if they exceed eight (8) per semester. This includes both excused and unexcused absences. If you have a note from a doctor please send it with your child.

Please note that attendance and tardies may affect citizenship grades, sports and club eligibility. Missing critical instruction often affects academic grades. The Lake Havasu Police Department does enforce the compulsory attendance law.

STUDENT HANDBOOK

The student handbook, located on our website, provides valuable information about our school and will be reviewed with students during the first few days of school. Please review this handbook with your child early in the school year. Hard copies are available upon request.

We are pleased to notify you that in accordance with the Elementary and Secondary Act (ESEA), as amended by the Every Student Succeeds Act (ESSA), you have the right to request information regarding the professional qualifications of your child's teacher. Specifically, you may request the following:

TAX CREDIT

Taxpayers filing in Arizona have the unique opportunity to redirect a portion of state tax dollars they already pay, to public education. The credit allows an Arizona taxpayer to contribute \$200 per individual tax return or \$400 per joint tax return to a school's extra curricular program.

Who can make a contribution?

We can accept contributions only from individuals; not businesses or corporations.

Do I have to have children enrolled in school?

No. Any Arizona individual paying state income tax can make a tax credit contribution to be used towards extra curricular fees.

Do I have to live within the District?

No. Any individual who pays Arizona State income tax can contribute.

Do I have to donate the full \$200 or \$400?

No, but remember, you can take this credit on any tax liability for state income taxes up to \$200 on an individual tax return or \$400 on a joint return. You may donate up to your \$200 or \$400 limit in installments during the calendar year or donate it at one time.

How does this work on my tax return?

As an example, lets say you made a \$300 tax credit contribution. When you file your state taxes, you will note the credit with a 322 form (downloadable from the State). If your State tax return calculates to a \$500 refund, applying the credit will increase your refund to \$800. If your State tax return calculates to a \$400 liability (you owe) then applying the credit will reduce your liability to \$100. However, you cannot receive a refund greater than your State income tax assessment for the tax year.

Tax Credit contributions are to the school/activity of your choice or can be made for individual students!

For more information about tax credit contact Theresa Parker by phone at 505-6941 or by email: Theresa.Parker@lhusd.org.

Tax credit contributions can be made online! Go to the LHUSD#1 home page at www.lhusd.org and access the online payment portal in a variety of ways or you can pay through the Thunderbolt bookstore at az-lakehavasu.intouchreceipting.com. If you are not a parent, please sign in as a guest.

PARKING LOT PROCEDURES

Parents,

We have worked hard over the last few years to create a parking lot procedure that keeps the traffic flow moving and keeps students safe. Although it's a bit challenging to get such a large number of parents in and out in a short amount of time, our system works well with everyone's cooperation.

Please follow these procedures:

MORNING & AFTERNOON DROP OFF & PICK UP PROCEDURE

See map on the following page with instructions

ALL STUDENTS MEETING PARKED CARS MUST CROSS WITH THE CROSSING GUARD FOR SAFETY.

Please do NOT form a second lane of traffic in between the cars at the fence and the parking lot.

- This is unsafe for picking up your child and others.
- Cars are not watching for students to cut in between cars.
- A second lane also blocks the traffic waiting to come into and out of the drop off lane.

When leaving a parking space cars must loop around to join the traffic flow running parallel to the fence. We will be in the lot to guide you in the process.

There are slight differences between the morning and afternoon procedures. This is because cars in the afternoon may need to circle the parking lot to locate a parking spot. They must have the ability to do so. This is not the case in the morning as all cars are moving quickly through the lot after dropping off students.

We would ask that you remain 100% focused on the traffic and students while in the lot by not talking on your cell phone during pick up and drop off. Student safety is our goal.

Our goal is to keep every child safe during pickup and drop off times. Your cooperation is appreciated. Thank you!

Mornings – Drop off from 7:25 to 7:50, class begins at 8

Pull into the drop-off lanes and have students exit the car quickly. Please do not have students wait in the car as traffic backs up onto Thunderbolt Ave.

If the drop-off lane is full, turn to the left and pull forward to the teacher at the cross walk.

Please do not pull into the bus lane, circle, or the staff parking lot.

To sign up for bussing, please call 928-505-6960

Afternoons – Pick up when class releases at 2:35

Pull into the pick-up lane and have students load quickly in the front half of the line.

If the pick-up lane is full, pull into a parking space. Your student will be walked across traffic with the crossing guard. * Students may not cross traffic anywhere other than the cross walk.

Please do not pull into the bus lane, circle, or the staff parking lot.
