Let's Take a Ride!

Morning Drop off for Cars:

- Begins at 7:10 a.m. and ends at 7:35 a.m.
- Please have students ready to exit cars once the bullhorn sounds (unbuckled, bags ready, goodbyes, etc.)
- Pull up as closely as possible to the vehicle in front of you to make room for everyone.
- Parents, stay in your car. Staff members will assist students from your car to the sidewalk.

Afternoon Pick Up for Cars:

- Ends at 2:55 p.m.
- Car tags should be hanging from the mirror with the number facing out while on campus. Pull up as closely as possible to the vehicle in front of you. When you hear the bullhorn, stand outside your car to receive your child. A staff member will walk your student to your car, so make sure you are standing where they can see you.
- In order to pick up your student in car riders, you must have an official car tag. No pictures or photo copies will be accepted. Without a tag you will be sent to the office to get your child at the end of car rider pick up. Additional car tags may be purchased in the front office for \$5.00. The first one is free.
- Any student not picked up by 2:55 p.m. will be taken to the front office for late pick up.
- Children under the age of 9 will not be allowed off the bus without an adult present.
- Contact your child's bus driver for pick up and drop off times.

** No check outs allowed after 2:00 p.m.

** All transportation changes must be submitted in writing.
