A power 88 listener writes...

I was feeling depressed about getting older in life and not having someone to share my life with. I cried out to God that things would be a lot better if I just had that

significant other in my life to share the load of things that I am going through. While I was waiting on God to answer me, the song "Who Am I" came on the radio, and all that I could do was start to cry and raise my hands to praise the Lord. It was in that moment that I realized that I didn't need anyone else in my life except the Lord to rely on for the problems that I was going through. It also made me realize because of all that Christ did for me, who do I think that I am requesting anything in return for just serving Him for the rest of my life? Thank you for letting me share. God Bless.
