

# Attention Class of 2023 - Senior Portrait Information

The Class of 2023 seniors will be photographed by Legacy Studios for their yearbook portrait starting late this spring with additional sessions available over the summer and finally in early fall. Legacy Studios will bring their complete portrait studios to New Milford High School. You will be emailed a scheduling link to reserve your senior portrait session online. Any student graduating in June 2023 must have their photo taken by Legacy Studios in order to have their photo in the yearbook and to get a school ID card. **If you do not have your photo taken through Legacy Studios at one of the dates listed below, you will not appear in the yearbook.** There is no basic sitting fee (fees required for additional poses beyond Yearbook photo) and no obligation to purchase any photos through Legacy Studios. Gentlemen are required to wear a button down shirt and tie (jacket is preferred) for their photo. Ladies will be wearing a wrap around their shoulders provided by Legacy Studios or an appropriate blouse at the photo session.
