What matters to us?

Fighting Climate Change

Climate change is an existential threat. Our solar projects fight climate change by reducing greenhouse gas emissions and the demand for fossil fuels.

Our Employees

We have created an environment where great people do great work. At Solar Landscape, more than 100 employees do what they love and create a positive change in the world.

Giving Back

We align with the missions of local organizations to empower communities and residents by providing low-cost clean energy and workforce development training.

INCognito

Bluey and Incognito story remains a uniquely Great British adventure. From Top 10 hits to producing and collaborating with legendary artists — from R&B icons and powerhouse vocalists to contemporary jazz musicians to international multi-instrumentalists and songwriters, including George Benson, Stevie Wonder, Chaka Khan, Philip Bailey, Jocelyn Brown, George Duke, Al Jarreau, Marcus Miller, Paul Weller, Maxi Priest, Mario Biondi — Bluey Maunick can take his place among the greats of global soul.

“It’s a wonderful time for music. As well as being entertainers, we are teachers, healers, and ambassadors for the human race — and we take that very seriously.”

One love!

MAYSA

A unique, instantly identifiable vocal sound encompassing both Jazz and R&B. Grammy- nominated, Soul Train Award Winning Soul/Jazz singer MAYSA, celebrates her 29th year as recording artist and 25th year as a solo artist in 2020. Her first solo CD entitled MAYSA was released August 29, 1995 on Blue Thumb' GRP Records.

Born and raised in Baltimore, MD, Maysa Leak knew early on that she would be a musician. "I was six years old when my mom took me to see Purlie," she recalls. "When Melba Moore came on stage and sang her heart out, I knew at that moment I wanted to make people feel the way she made me feel."

Maysa's journey took her from singing upon graduation with Stevie Wonder for a year to becoming the lead singer for Incognito in the 90s. In 1995 she recorded her first solo album, MAYSA, which debuted to rave reviews and critics and listeners alike.

Fatherhood, meets “Red Table Talk”, meets Entertainment, meets Celebrity.

They've played in the biggest arenas, entertained and captured the hearts and minds of millions of people, and earned millions of dollars...but to these influential dads, nothing is more sacred than the journey of fatherhood.

Child-rearing, co-parenting, relationships (familial & romantic), broken hearts, laughs, tears, favorite dad dishes, even style! Don't forget the best dad recipes...ever! They say Mother knows best, but always take into account, “Dad's Point of View.”

Dad's Point of View not only features some of the biggest names across culture, but sheds light on everyday Father's sharing their experiences as they navigate being a hands on Dad, in today's society. Cuttino Mobley, a Father first, opens the door for vulnerable conversations amongst men and women, touching on mental health, to sacrifice to everyday life.
