

The Evaline School District #36 complies with all federal rules and regulations and does not discriminate on the basis of race, creed, religion, age, veteran or military status, color, national origin, sex, sexual orientation including gender expression or identity, or use of a trained guide dog or service animal by a person with a disability. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities and provides equal access to Boy Scouts and other designated youth groups. Inquiries regarding compliance and/or grievance procedures may be directed to, the school district's Title IX/RCW 28A.85 Officer and/or Section 504/ADA Coordinator, Kyle MacDonald at 111 Schoolhouse Rd Winlock, WA 98596, 360-785-3460 kmacdonald@evalinesd.k12.wa.us

Students OF THE MONTH

Evaline School Students Of The Month for SEPTEMBER are:

Kylin S.
Allie P.

CONGRATULATIONS

BUS RIDER OF THE MONTH:

NOAH L.

GREAT JOB

Student of Character Award

Each month one student from each classroom is recognized for their participation and application throughout the school day, particularly in their Social Emotional Learning Class. This weekly class focuses on one character trait during that entire month. In September we had two character traits: "KINDNESS" and "RESPECT".

Congratulations to the following recipients for the month of SEPTEMBER:

KINDNESS:

TTK - 2nd: **Clover D.**
3rd - 6th: **Scarlett G.**

RESPECT:

TTK - 2nd: **Faye B.**
3rd - 6th: **Sebastian D.**

Important Dates!!

OCT.

Thur. 16th: First Good News Club 3:00-4:00 p.m.
Tues. 21st: TTK-2 Field Trip to the Winlock Fire Dept. 10:00am

Thurs. 27th - Fri. 28th: Thanksgiving Break - NO SCHOOL

Please see the attached flier at the end of this newsletter with information about our upcoming FALL FESTIVAL PARTY

Pumpkin Patch Field Trip Mon. 10/27/25

All of our students will be going to the Goodrich Pumpkin Patch this year. Parents/Guardians and younger siblings are invited to join! The Booster Club will pay for younger siblings and parents/guardians are free. Parents/Guardians should meet us at the Goodrich Pumpkin Patch at **1:00 p.m.** 513 Goodrich Rd, Centralia, WA 98531

A huge thank you to our amazing Booster Club! Our students are thrilled with their new blue Evaline t-shirts and sweatshirts. Your generosity and school spirit are greatly appreciated!

TTK - 2nd Grade September Student of the Month: Kylin Sundberg

I am really excited to name September's TTK-Grade 2 Student of the Month as Kylin Sundberg. We talk a lot in these grades about how to be a "professional student." A professional student is someone who is in control of his words and actions at all times. A professional student produces work with quality. He thinks and questions and seeks to understand. Further, a professional student acts with respect. Kylin is an exceptional, professional student. But even more exceptional is his ability to make positive choices even when those around him are not. That is an extremely difficult thing to do no matter how old you are. He is a wonderful role model for others who want to succeed. I am so thankful for him and the opportunity to work with him.

Nice work, Kylin!

3rd - 6th Grade September Student of the Month: Allie Price

Allie has demonstrated a huge amount of growth in her participation, communication, academic effort, and overall general positivity over the course of last spring and going into this fall regarding being the best student, person, and member of the Evaline Community that she can be.

Allie's growth caught our attention for consideration for an SEL award this month as we witnessed her increased application of the character traits throughout her school experiences. However, it went so far beyond a focus on demonstrating positive character, especially seeing the extent of her academic growth and efforts, which makes us very excited to award this first Student of the Month Award of this school year for the older grades to Allie Price. **Why to go, Allie!**

TTK and Kindergarten

Mrs. Tinnin

Kindergarten students have begun learning letter sounds as part of their early literacy development. For each letter introduced, students practice writing the letter, learn the corresponding ASL hand sign, and engage in a fun letter chant to reinforce the sound. This week, we are focusing on the letters m, a, t, and d.

In math, students are exploring the concepts of greater than, less than, and equal to, using numbers 1 through 5. Next, they will begin learning to count and write numbers 6 through 9, as well as identifying number pairs that add up to each number.

TK students are developing critical thinking skills by identifying objects that belong together. They began by matching items that are exactly the same, then moved on to those that are similar, and are now working on items that go together—such as a crayon and paper. In math, TK students are also working with numbers 1 through 5, building a strong numerical foundation.

During daily circle time, all students participate in calendar activities. They are learning the months of the year, days of the week, and are practicing counting the days. This month, we've also introduced the concept of patterns, which students are beginning to explore through songs, visuals, and interactive activities.

First and Second Grade Explorers

Mrs. Mittge

Thank you Booster Club for all of the sweatshirts and shirts! We love them!

We also had a visit from the Winlock Fire Department. Students practiced fire safety in their smokehouse! **We have had to reschedule our fire department field trip.** Please check the newsletter, Boomerang Folders, and Dojo for updates.

Students made compass roses this week. They should know their cardinal and intermediate directions.

They are comparing the value of numbers in math. They also wrote great pieces about a squirrel who found an acorn that was too big.

Third and Fourth Grade Classroom

Mrs. Mars

This year our class is making a paper chain to show our reading. Everytime a student passes an AR test they get to add a link to the chain. The color of the chain corresponds with the point value of the book. I am super impressed with the students' reading. The chain has gone down one side of our classroom and is now headed across the back of the room!

As a class we continue to practice our basic multiplication facts daily. The memorization of these facts is essential to a student's future success in math. We practice these skills through a variety of methods including daily timed tests, and games. A huge shout out to Scarlett for being the first student to complete all levels A-Z with 2 minute timing! She will now start back at level A and try to complete all the levels with only 1 minute. Practicing facts with your child for even a minute or two a night can have a huge impact!

Fifth and Sixth Grade Classroom

Mr. Burlingame

It's been a busy and exciting week! We began reading *Bud, Not Buddy* and had some great discussions about the story's themes and characters. In science, students explored what makes planets habitable and compared conditions across our solar system. Fifth graders have been mastering decimals, while sixth graders took it a step further with decimal division. In social studies, everyone wrapped up their state slide projects—great work showcasing creativity and research skills!

Thank you to everyone who ordered from the Booster Club Country Meats Fall Fundraiser. The funds raised go towards all the great opportunities the booster club does for our students.

AR reading is going well. Our current leaders are: Ben with 79, Sasha with 72 and Apollo with 25 points. Please keep encouraging your students to read- 14 points are due at the end of October!

The Evaline School District #36 complies with all federal rules and regulations and does not discriminate on the basis of race, creed, religion, age, veteran or military status, color, national origin, sex, sexual orientation including gender expression or identity, or use of a trained guide dog or service animal by a person with a disability. CANDY FOR THE FALL FESTIVAL PARTY

The Booster Club is asking each family to donate one bag of individually wrapped candies or a bag of small prizes for the party on October 31st. Please drop items off at the school office no later than Friday, October 24th.

For questions please contact: evalineboosterclub@gmail.com

FALL FESTIVAL PARTY

The Booster Club will put on a Fall Festival party on Friday, October 31st during school hours. Students are encouraged to dress up. All students will have an opportunity to play carnival games and do a craft. There will also be a costume contest and a pumpkin carving/decorating contest. The party will begin shortly after 8:30. Pre-school students and parents/guardians are encouraged to dress up and join us. **School will dismiss at 11:30.**

Costumes

Please make sure costumes are in good taste: **No blood, knives/weapons, or scary masks.. etc.**

Prizes will be awarded to preschoolers and students in each grade for the best costume.

Pumpkin Carving Contest

All students can work with or without a parent/guardian's help to create a masterpiece. Due to limited space and number of pumpkins, we will be doing the pumpkin judging in the bus garage. **You can take your pumpkin(s) directly to the bus garage before school on Friday, Oct. 31st.**

Prizes will be awarded in the following pumpkin categories:

1. Funniest
2. Scariest
3. Cutest
4. Best Non-Carved
5. Open Class - Dream up one you think would be a prize winner.
6. Best Student Solo (no parent help)
7. Sweetest
8. Most Clever

Please don't carve or decorate pumpkins in poor taste: Blood, knives, etc will be disqualified. The judges will decide the category in which each pumpkin will be judged. This can be a family project. Students can have mom, dad, sister, brother, etc. help carve and decorate your pumpkin. (Except for the Best Student Solo Pumpkin) If your beautiful pumpkin needs a candle to show the full effect, put the candle inside the pumpkin and the judges will light it. Please take pumpkins home at the end of the party. Any pumpkins left after the party will be thrown out.

The Booster Club is looking for volunteers to help make this fun event possible!

If you're able to lend a hand, please reach out to the Booster Club at

evalineboosterclub@gmail.com Your support is greatly appreciated—THANK YOU!
