

DOES STATE TESTING

# Time to Show Up, and Show Off

GOALS

## WHY?

State assessments allow us to show off all the amazing learning that has happened this year at the state and national level.

## WHAT CAN I DO TO SUPPORT?

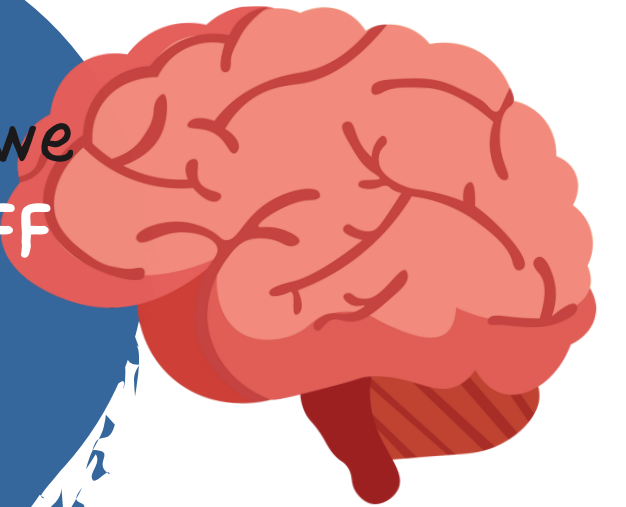

It is really important that students show up for testing sessions. This minimized the amount of time they are pulled from lessons for makeup testing.

Be sure that students get plenty of rest and get a good breakfast the night before and morning of testing.

## WHO AND WHEN?

This is the time we get to **SHOW OFF** all of our **BIG BRAINS!**
