

Mrs. Couper & Miss Segrest's Classroom Discipline Plan

It is our belief that every teacher and child at our school has the right to have a safe and positive classroom where the teacher can teach and children can learn in a peaceful, happy setting. In accordance with that belief, in our classes we have only one rule:

If what you are doing interferes with learning, hurts someone's heart or body, or prevents you from being your best self, you shouldn't be doing it!

Therefore, students will be expected to conduct themselves in an appropriate manner for school. Behavior will be recorded on a Classroom Behavior Log using a three strike system. By not receiving strikes, students will earn opportunities for extra prizes or privileges. Should a student repeatedly receive strikes within the week we will contact parents through Parent Square in an effort to correct the behavior. Two parent contacts (or attempts to contact) will result in a "STEP" in compliance with the school wide behavior plan, and we will meet in person to discuss possible alternatives strategies to help make third grade successful for everyone.

Please review and discuss this plan with your kiddo, then sign below and return.

I have read and agree to Mrs. Couper and Miss Segrest's classroom discipline plan.
